Two Coventry Corpus Christi Plays Coventry plays,1967 *Modern Mysteries* Katie Normington,2007 A lively account of the modern staging of the medieval mystery plays richly illustrated with stills and other photographs The turn of the last millennium saw a sudden flourishing in the revival of the medieval mystery plays with a number of different productions being staged across the country and further afield But why were they staged What features of the plays attracted the modern day director What can the mystery plays offer today's producers directors participants and audiences This book seeks to answer these questions Beginning with an exploration of the original staging conditions the study goes on to examine the reasons why the plays are produced today and through a series of case studies looks at how notions of community identity and space are articulated within contemporary stagings it considers productions at Chester Chichester Leeds Lichfield Lincoln Toronto Worsbrough and York as well as productions by the Royal National Theatre Royal Shakespeare Company and the Belgrade Theatre Coventry Importantly the author uses evidence gleaned from interviews with directors and producers and observation of rehearsals and performances to bring a fresh and modern perspective to bear Richly illustrated KATIE NORMINGTON is Professor of Drama at Royal Holloway University of London *Corpus Christi Pageants in England* Matthew Lyle Spencer,1911

The Non-Cycle Mystery Plays (Routledge Revivals) Osborn Waterhouse,2015-07-30 Between the beginning of the tenth and the end of the sixteenth centuries in all parts of Great Britain from Aberdeen to Cornwall performances of liturgical and mystery plays are on record This book first published in 1909 is a collection of early English religious plays with a detailed introduction written by the editor Osborn Waterhouse The Non Cycle Mystery Plays will be of interest to students of drama performance and theatre studies

Playing a Part in History Margaret Rogerson,2009-01-01 Playing a Part in History examines the ways in which the revival of The York Mystery

Plays transformed them for twentieth and twenty first century audiences The Destruction of Medieval Manuscripts in England Krista A. Milne, 2025-03-28 The Dissolution of the Monasteries 1536 40 is widely held as the single most significant event in England's history of the destruction and loss of medieval manuscripts Despite this consensus the ultimate impact of the Dissolution and of medieval manuscript destruction during the centuries that followed remains unclear How did Reformation era losses compare to those which preceded the Reformation and to those that followed it How did the losses caused by sectarian conflicts compare to more quotidian kinds of loss such as improper storage or deliberate de acquisition Which manuscripts were targeted when were they targeted and how should one account for the inevitably skewed record In The Destruction of Medieval Manuscripts in England Krista A Milne asks these questions to better understand literary taste behavioural patterns and the circulation of knowledge throughout the medieval period Milne explores methods drawn from quantitative codicology to explore the most significant moments of manuscript loss in the history of England The evidence suggests that this destruction was much more limited in its targets but far more extensive in scope than is usually acknowledged Overwhelmingly throughout the investigation the manuscripts most at risk were those considered too new to qualify as antique but too old to be au courant This pattern of destruction which Milne describes as the principle of age without vintage remains apparent in many different domains today *Two Coventry Corpus Christi plays* Hardin Craig, 1957

The Transformations of Tragedy Fionnuala O'Neill Tønning, Erik Tønning, Jolyon Mitchell, 2019-11-26 *The Transformations of Tragedy* Christian Influences from Early Modern to Modern explores the influence of Christian theology and culture upon the development of post classical Western tragedy The volume is divided into three parts early modern modern and contemporary This series of essays by established and emergent scholars offers a sustained study of Christianity's creative influence upon experimental forms of Western tragic drama Both early modern and modern tragedy emerged within periods of remarkable upheaval in Church history yet Christianity's diverse influence upon tragedy has too often been either ignored or denounced by major tragic theorists This book contends instead that the history of tragedy cannot be sufficiently theorised without fully registering the impact of Christianity in transition towards modernity
