Cover Your Assets:

Covering Your ASSETS Leonard Critcher, 2014-02 COVERING YOUR ASSETS is not a guide on how to accumulate assets. It is written specifically for people who have already accumulated assets or are on their way to doing so and wish to preserve and protect those assets. It is written in a unique format that will allow you to isolate your specific life situation and read only material applicable to you. You will learn about what the Wealth Planning process should actually entail, the Thirteen Wealth Management Issues, twelve of which are ignored by many Financial Planners, the synergy that should come from the integration of these oft-ignored issues, and how to properly build a Wealth Planning Team. Twenty-seven complex strategies and techniques are explained in simple terms and presented in such a way that they can be easily understood by any layman. COVERING YOUR ASSETS is an informative, enjoyable, and easy-to-read guide for anyone wishing to Preserve and Protect what they have accumulated. Cover Your Assets Kara McGuire, 2014-07-01 Once you've started to accumulate property and money, you're not done managing your financial life. Far from it! You still need to protect your possessions, your money, and your identity from theft. Find out what it takes and how much it will cost. **Sonny Bloch's Cover Your Assets** H. I. Sonny Bloch, Sonny Bloch, Jerome L. Hollingsworth, 1992 Personal finance expert Sonny Bloch and attorney Jerome Hollingsworth have put together a groundbreaking user's manual for estate planning, including everything needed to avoid probate, judges, lawyers, and estate taxes. Includes easy-to-follow examples of every estate planning document readers will need. **Cover Your Assets and Become Your Own Liability** Gene Landrum, 2009-11-01 Sacrifice Tomorrow for Today and You'll have Destroyed Tomorrow. While America was landing on the moon, Japan was landing in our living room. One nation focused on the conquest of space, the other on the conquest of mass consumer markets. Cover Your Assets delves into how an export power became an importer in three decades through self-serving CYA management and discusses the need for leadership transformation to return to the days of glory. The cost of a nation's leadership adopting a "take care of me now" mentality is huge. When they sacrifice tomorrow for today, they have sold tomorrow. CYA includes a self-assessment on how to change personally and professionally. There is a need to zap the "Yes Men" in our heads and understand what makes us tick. Those who don't are hard-pressed to understand how to manage, motivate, or control others. We all have a need to feel good today, but too much of today leads to too little tomorrow. **How to Protect Your Assets and Preserve Your Hard Earned Capital** Antonio T.J. Hines, 2017-02-24 This book is written for the everyday individual as an eye opener to what is currently going on in the financial markets. The author reveals and discloses what your broker, banker, and/or mutual fund manager is not telling you. Secrets We've all been duped into thinking the traditional model of investing is the way to go. It's called psychological influence. There is a serious issue right now in our society: 72% of Americans born between the years of 1946-1964 are going back into the work force. You see it everyday: Grandma's and Grandpa's working at the cash registers in your local grocery store. How could this be? This is the result of not having the right financial education to assist in proper planning for

protecting growing and preserving their nest eggs 53% of American households will not have enough for retirement It s true That s over half of the American population The Securites Exchange Commission conducted a study saying half of investors didn t understand or realize the different levels of care that were provided between brokers mutual fund managers bankers and fidiciuaries That s a huge problem The objective of this book is to get the reader to understand what they may not know now as well as the many options available for you to ride your life right off into the sunset by lowering your risk and increasing your yields in half the time it would in a traditional model The author reveals the ultimate solution to sustaining your same lifestyle a healthy lifestyle for years to come The author understands the value of the family name and the legacy most people want to leave behind Let the truth be told most investors are losing more than their making simply by not being aware After reading this short impactful book the reader will be equipped with knowledge on how to protect grow and preserve their assets for years to come with a unique investing model that has been around for decades upon decades
