The text on the tablets is carved into the stone. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunset or sunrise. The overall tone is solemn and historical.

The Nazarene Gospel Restored Robert Graves,Joshua Podro,2023-03-30 The Nazarene Gospel Restored is Robert Graves s major work on the life of Jesus written in collaboration with the distinguished Hebrew scholar Joshua Podro The research and writing occupied them for over ten years in a working relationship compounded in John W Presley s phrase of argument scholarship and mutual respect in which the imaginative writer and the Hebraist drew on their vast knowledge of the ancient world to reveal an extraordinary new true story of Jesus The result is as Graves wrote to T S Eliot a very long very readable very strange book and one that Presley argues is as central to Graves s thought as *The White Goddess* The Nazarene Gospel Restored was controversial when first published the Church Times refused to advertise it reviews were hostile and Graves twice sued for libel In the twenty first century it is possible to read it in the context of a continuing engagement with the historical Jesus both scholarly and popular In this new edition John W Presley gives a detailed account of the composition and reception of the book setting it in the context of Graves s writing and of biblical scholarship The inclusion of Graves s Foreword and annotations for a project revised edition make this an indispensable resource
