Cowboy Who Came Calling:

Cowboy Alibi Paula Graves, 2008-09-01 For months cop Joe Garrison had followed every lead to find the woman he held responsible for his brother's death. Now as he finally stood face to face with her, he knew justice would have to wait. It seemed the woman who conjured up memories within him, both painful and passionate, had recently lost her own. Torn between believing she had amnesia and turning her in, the tough lawman had his answer when the true killer surfaced. On the run, desperate for the truth, Joe gave in to his passions. He wanted to show this woman, who had no recollection of the past they'd shared, a future could be possible. If only danger didn't intervene. *The Complete Set of The Cowboys of Ransom Creek*

Debra Clopton, 2022-10-08 HER COWBOY HERO Book One Rodeo bronc supplier Lori Calhoun has struggled to live up to expectations after her father's sudden death. When a trailer load of her star broncs disappears, the Knight Agency steps in to investigate. Foreman of the Calhoun Ranch, Trip Jensen, has watched Lori struggle to keep up with the demands of the ranch and the rodeo stock. He's always admired her and loved her, but he's kept that to himself. She was the boss's daughter and is now the boss off-limits for a cowboy like him. When more stock begins to disappear from the ranch, they must work together to solve the mystery. Unable to know who on the ranch to trust, Trip enlists the Presley brothers from the neighboring ranch to back him up. Lori has always admired Trip, but he made it clear years ago that he wasn't interested in her as more than a friend. Now he's sticking close, and she's finding it hard to concentrate on the danger and not the man. Can love blossom between them before time runs out?

THE COWBOY'S BRIDE FOR HIRE Book Two Single males in need of a bride for a day. This is strictly an at your service business proposition. Absolutely no romance involved. Do you need the eyes of a woman to help plan and/or set up an event with your personal interest and taste in mind, but with an added touch of your bride if you had one? Then call Bride for Hire and let me do the work.

Jilted twice, Bella Reese has no plans to find out if three's the magic number. She's done with men. But she's always loved the idea of being a bride, setting up house, planning parties, making sure things are pretty and homey, the perfect nest for a home, and she's determined not to give up on that dream. Six months after her final wedding fiasco, she's turned a new leaf and opened her business, Bride for Hire. So far, she's been amazingly busy with corporate events, with no homey entering the equation. Until now. After being jilted by his ex-rancher, Carson Andrews, will never make the marriage mistake again. But now his daughter is turning five, and he wants to make her fifth birthday special and redecorate his ranch house to make it more homey for a growing little girl. The irony of his situation is he lives on the outskirts of Bride, Texas, the legendary home of the jilted bride, a small town south of Fort Worth. When his cousin, Cooper Presley, shows him the ad from a Fort Worth newspaper, it's everything he's looking for, even the plainly stated, absolutely no romance involved. Carson makes the call. It sounds like the perfect plan until he meets Bella.
