The Maverick Queen Zane Grey, 2023-01-12 In this classic Western, good guy Linc Bradway sets out to seek revenge after his partner is killed in a poker game. He ends up in South Pass, Wyoming, where he encounters gamblers and gunslingers and he finds himself in the heart of the action. On route, he meets the intriguing Kit Brandon, who hustles Maverick cattle from local range riders. He intends to avoid her, but when he finds himself on a warpath against other cowboys and hustlers, it only drives him closer and closer to the Maverick Queen. The *Maverick Queen* was made into a Western movie starring Barbara Stanwyck and Scott Brady in 1956. A story filled with love, hate, adventure, and western landscapes, this action-packed story is a must for fans of Zane Grey. Zane Grey (1872-1939) was a popular American author best known for his adventure novels and short stories. The topics of the American West and the Frontier were central to his writings, and Grey became totally engrossed within the Western genre. Many of his novels were written from the perspective and experience gained from his hunting and travelling trips all around the West. Some of Grey's most famous novels include *Riders of the Purple Sage*, *The Last Trail*, and *Valley of Wild Horses*. His novels and stories were adapted to more than 100 movie and television productions, with the most well-known being the movie *Riders of the Purple Sage* (1936) starring Ed Harris, Amy Madigan, and Henry Thomas.

Yesterday's Bandit Barry Brierley, 2003-10 Read the Foreword. Clarion book review of *The Life of Stuart O Van Slyke*. In this autobiography compiled from old diaries and letters, Stuart O Van Slyke recounts his adventures as a young man born to hardship in the early 20th century. He recalls how he overcame his background through his own grit, imagination, and the support of his family and friends. From a 21st-century point of view, Stuart's unsupervised childhood seems carefree. Virtually on his own from the beginning, Stuart worked his way through college where he was introduced to the Army through ROTC and was the first of his family to graduate. He was called

to active duty on June 30 1941 as a second lieutenant but his true military career started on Pearl Harbor day This turned out to a pivotal event in the shaping of his life One of the highlights of the book is his service in the North African Campaign and his passionate yet sensitive command of the 78th Fighter Control Squadron and later on the staff of the Allied Air Command of Corsica The war s ending found him in Korea in military government in 1945 where he assisted in the start of South Korea s return to the community of countries who were no longer enslaved or ruled by despots He had a real bird s eye view of the development of the 38th Parallel dilemma that plagues us even today At the age of 29 in 1946 he was a lieutenant colonel in the Army Reserves and a civilian again who wondered what he was now going to do
