Coyote In Love:

Coyote in Love Mindy Dwyer, 2014-05-01 In many Native American stories of creation Coyote proudly takes his place as the ultimate trickster the mischievous hero whose lessons may even include painful lessons for the unwary Mindy Dwyer's retelling of a Northwest coyote legend allows readers young and old to meet that same colorful and wily creature but this time made vulnerable himself by love Coyote in Love is a tale of love and the way things came to be Children will be entranced as they hear of the antics of Coyote as he sings to the heavens in pursuit of the love of a star They'll also learn from the Old Ones how a lake with never ending depth and the bluest waters of Oregon's Crater Lake was formed by a flood of tears from heartbroken Coyote This appealing legend is matched by the bright whimsical watercolor images of Coyote

Blog Love Omega Glee Wred Fright, 2012-07-19 Two bloggers fall in love while the world falls apart in Blog Love Omega Glee a comedic story set in 2012 with each chapter taking place on a different day counting down to the end of the Mayan calendar on 21 December 2012 when the world either ends or continues on much the same as before The two central characters are Jake Falls a twenty five year old unemployed man living with his parents who spends most of his time blogging about pro wrestling and Francine Apple a twenty nine year old barely employed woman who has dropped out of the American Dream to blog about various conspiracy theories Other characters abound as well including Jake's cats family and friends and Francine's coworkers housemates and neighbors The story is set in Cleveland a decaying industrial city in the northern part of the USA and its suburbs on the shores of Lake Erie It's year 12 of a fascist regime and a severed head named Dick with a soft drink vending machine for a body is president dictator but no one much notices because they're too busy watching television and obsessing over their personal lives to worry about wars overseas the government swindling taxpayers and the rich stuffing their already stuffed pockets further with rapidly depreciating currency Some people find this worrisome but most people just change the channel Regardless even though in many ways for the average person life is still better than ever before in the history of human existence since Eden most people feel a vague sense of unease as if the delicate stitching of society is about to come undone at any moment pouring forth a centuries long buildup of too many human beings anarchy in the streets environmental collapse and lots and lots of really bad coffee Between existential dread economic worries presidential electioneering electronic domineering and large sweaty men in tights touching one another as entertainment there's Blog Love Omega Glee Blog Love Omega Glee was originally published on Wred Fright's Blog as a blognovel or a blovel Unlike most blognovels and blovels this one actually was finished instead of being abandoned Since the story has four parts depending on how you look at it it's either one really long novel or a series of four novels After being serialized on the blog and as a zine to a few select zinesters Fright trades with the novel was collected as an ebook One fun way to read it is a chapter a day during the course of a year especially a leap year like 2012 was or go for reading all 230 000 words or so in one lump The novel's been noted in American Pop Lit who called Fright an innovative writer of fun new pop lit a pioneer in
