**Managers** Virendra Kumar Paul,Sushil Kumar Solanki,Abhijit Rastogi,Parnika Singh Yadav,2023-03-07 Assessment of professional competence for project managers and the measure of project success is well trodden ground in the research and professional project management literature Whilst standards and certifications like PMBOK and the IPMA competence baseline have been developed as a guide for the development of project managers competence the manifestation of these competencies into good performance is neither guaranteed nor always easily ascertainable This book presents a brand new
