They have a bit of money and time to do something other than scramble. It's enough to confound even that most unconfoundable of men their mutual inspiration Sherlock Holmes. So Old Red decides that it's time for the for the two of them to head off to the Texas hill country to San Marcos and deal with the greatest tragedy of Old Red's life. Five years ago when Old Red was a cowpoke in San Marcos he had a sweetheart a fallen woman at the local house of ill repute. They had made plans but before they made their big move his fiancée was murdered and the case swept under the rug by the local authorities. Now Old Red is determined to find out what really happened and to finally find a measure of justice for his beloved. But Big Red and Old Red find themselves facing a wall of silence and in some of the worst situations of their lives ensnared in a riot at the local cathouse on the wrong end of a lynching party and perhaps worst of all having to do the one thing you never want to do in the state of Texas steal horses.

The Sundown Chaser Dusty Richards, From Dusty Richards winner of the 2007 Spur Award for Best Original Paperback Novel for *The Horse Creek Incident* comes a story of a man who stood up for the law and the criminal who made him the man he is. Some quarry can't be caught. As the new sheriff of Yellowstone County Montana ex rancher Herschel Baker cleaned up the badlands with the weight of the law behind him and the weight of a six gun at his side. Now he's trying to solve a deadly puzzle that involves one lead laden corpse a large sum of missing cash and a loose end that points to cattle rustling. But his trouble hasn't even arrived yet. There's a hard as nails border hopping horse thief riding up from Mexico. He's bringing a woman on the run a body count of criminals he's killed for bounty and a gun hand as hard and quick as Herschel's. This man is no simple robber shootist or brigand for hire. His name is Thurman Baker. But Herschel calls him father. **Books in Print**
