American Politics Reappraised The Enchantment Of Camelot Dispelled:

American Politics Reappraised Charles R. Adrian, Charles Press, 1965 **American Politics Reappraised** Charles R. Adrian, Charles Press, 1973 **Marbury V. Madison and Judicial Review** Robert Lowry Clinton, 1989 Few Supreme Court decisions are as well known or loom as large in our nation's history as Marbury v Madison The 1803 decision is widely viewed as having established the doctrine of judicial review which permits the Court to overturn acts of Congress that violate the Constitution moreover such judicial decisions are final not subject to further appeal Robert Clinton contends that few decisions have been more misunderstood or misused in the debates over judicial review He argues that the accepted view of Marbury is ahistorical and emerges from nearly a century of misinterpretation both by historians and by legal scholars
