Erickson, Liam D. Murphy, 2017-01-01 An accessible and engaging overview of anthropological theory that provides a comprehensive history from antiquity through to the twenty first century The fifth edition has been revised throughout with substantial updates to the Feminism and Anthropology section including more on Gender and Sexuality and with a new section on Anthropologies of the Digital Age Once again A History of Anthropological Theory will be published simultaneously with the accompanying reader mirroring these changes in the selection of readings so they can easily be used together in the classroom Additional biographical information about some of theorists has been added to help students *Resources in Education* ,2001-10 *The Star and the Stripes* Michael N. Barnett, 2018-07-10 An incisive account of the foreign policy beliefs of American Jews from the nineteenth century to the present How do American Jews envision their role in the world Are they tribal a people whose obligations extend solely to their own Or are they prophetic a light unto nations working to repair the world The Star and the Stripes is an original provocative interpretation of the effects of these worldviews on the foreign policy beliefs of

American Jews since the nineteenth century Michael Barnett argues that it all begins with the political identity of American Jews As Jews they are committed to their people's survival As Americans they identify with and believe their survival depends on the American principles of liberalism religious freedom and pluralism This identity and search for inclusion form a political theology of prophetic Judaism that emphasizes the historic mission of Jews to help create a world of peace and justice The political theology of prophetic Judaism accounts for two enduring features of the foreign policy beliefs of American Jews They exhibit a cosmopolitan sensibility advocating on behalf of human rights humanitarianism and international law and organizations They also are suspicious of nationalism including their own Contrary to the conventional wisdom that American Jews are natural born Jewish nationalists Barnett charts a long history of ambivalence this ambivalence connects their early rejection of Zionism with the current debate regarding their attachment to Israel And Barnett contends this growing ambivalence also explains the rising popularity of humanitarian and social justice movements among American Jews Rooted in the understanding of how history shapes a political community's sense of the world *The Star and the Stripes* is a bold reading of the past present and possible future foreign policies of American Jews *Governing America* Robert Singh, 2003 *Governing America* is an innovative edited textbook designed for first time students of American politics Written by an international team of experts this volume offers an accessible and comprehensive examination of American politics both before and after September 11 Divided into four parts the volume opens with an introduction to the main theoretical and historical surveys of American politics and foreign policy Part Two analyzes the key institutions of American government Part Three examines a range of public policies and Part Four assesses a series of contemporary issues and controversies

A History of Anthropological Theory Paul A. Erickson, Liam Donat Murphy, 2013-01-01 In the latest edition of their popular overview text Erickson and Murphy continue to provide a comprehensive affordable and accessible introduction to anthropological theory from antiquity to the present A new section on twenty first century anthropological theory has been added with more coverage given to postcolonialism non Western anthropology and public anthropology The book has also been redesigned to be more visually and pedagogically engaging Used on its own or paired with the companion volume *Readings for a History of Anthropological Theory* Fourth Edition this reader offers a flexible and highly useful resource for the undergraduate anthropology classroom For additional resources visit the Teaching Theory page at www.utpteachingculture.com
