The American Revolution Richard J. Hooker, 1970 **Private Needs, Public Selves** John K. Roth, 1997 Polls through the 90s show that many Americans believe the nation is in a period of spiritual decline yet public religious display and discussion often is deemed politically incorrect Philosopher John K Roth feels that more outward sharing of religious beliefs thoughts and ideas would bridge the gap between our private needs and our public selves and would give Americans of differing faiths a common identity

The Other American Revolution Vincent Harding, 1980 **Carl Becker on History and the American Revolution** Robert Eldon Brown, 1970 For the past fifteen years or more there has been a sharp controversy among historians of the American Revolutionary Era over how this period of American history should be interpreted In great part the controversy revolves around an interpretation made popular by the noted Cornell University historian Carl Becker This book attempts to explain how Becker s training and philosophy of history resulted in his particular interpretation of the Revolution and why in his later years he changed both his philosophy of history and his interpretation Publisher
