

AMERICA'S PURPOSE

21ST CENTURY
PRINCIPLES TO
REVITALIZE
THE AMERICAN
IDENTITY

To ensure a safer, stronger United States and a more stable and secure world, Americans must renew their sense of identity, pursue a common purpose and expand international collaboration to promote peace and opportunity. The United States alone possesses the ability to undergird a global system that protects the innocent from man-made terror and natural disasters. By committing to America's Purpose, the United States will better ensure a safe and prosperous future for its citizens.

Americas Purpose

Loren R. Cass

Americas Purpose:

America's Mission Tony Smith,2012-03-12 America s Mission argues that the global strength and prestige of democracy today are due in large part to America s impact on international affairs Tony Smith documents the extraordinary history of how American foreign policy has been used to try to promote democracy worldwide an effort that enjoyed its greatest triumphs in the occupations of Japan and Germany but suffered huge setbacks in Latin America Vietnam and elsewhere With new chapters and a new introduction and epilogue this expanded edition also traces U S attempts to spread democracy more recently under presidents Clinton Bush and Obama and assesses America s role in the Arab Spring

America at the Brink of Empire Lawrence W. Serewicz,2007-01-01 Addressing issues of continuing if not heightened relevance to contemporary debate America at the Brink of Empire explores the foreign policy leadership of Dean Rusk and Henry Kissinger regarding the extent of the United States mission to insure a stable world order Lawrence W Serewicz argues that in the Vietnam conflict the United States experienced an identity crisis a near Machiavellian moment to use the concept of J G A Pocock whereby America came close to assuming an imperial role stretching the country to the limits of its identity as a republic Serewicz offers a revealing look at the parts played by Rusk and Kissinger and President Lyndon Johnson in bringing the nation to the brink of empire in the years 1963 75 As a true believer in liberal internationalism Rusk set the stage by defining the war in Vietnam as a threat to the world order based on the United Nations security system created after World War II Johnson kept an open ended commitment in Vietnam without a clear goal in sight even as he pursued the ambitious domestic reforms of the Great Society In refusing to choose between either an imperial mission or a true republican position for the nation he brought it perilously close to becoming an empire ultimately failing to achieve his goals either at home or abroad Kissinger corrected for Johnson s overreach implementing a pragmatic realism based upon the principle that the United States is an ordinary country a republic not an empire within the international community and therefore must balance its commitments with its resources In concluding Serewicz reflects on the continuing relevance of the Machiavellian moment for the United States by observing the differences and similarities between the presidencies of Johnson and George W Bush America at the Brink of Empire illuminates the far reaching consequences of Rusk s and Kissinger s widely divergent foreign policy philosophies and outlines the tension that a statesman must reconcile between a republican government and the maintenance of a stable world order

The Department of State Bulletin ,1966 The official monthly record of United States foreign policy

Summary: America Between the Wars BusinessNews Publishing,2017-01-30 The must read summary of Chollet and Goldgeier s book America Between the Wars From 11 9 to 9 11 The Misunderstood Years Between the Fall of the Berlin Wall and the Start of the War on Terror This complete summary of America Between the Wars by Derek Chollet former Assistant Secretary of Defense and James Goldgeier a renowned political professor presents their examination of how the decisions made in the 12 years between the fall of the Berlin Wall and the beginning of the war on terror following 9 11 have

shaped the world today It attempts to outline how and why America failed to recognise that when they became the sole superpower with responsibility for the world s oversight they overlooked how the new world actually worked Added value of this summary Save time Gain deeper understanding of the war on terror and foreign policy Expand your knowledge of American and global politics To learn more read *America Between the Wars* and discover how the decisions made in America in the 12 years between wars have shaped the world today ***The Business of War*** James A. Tyner,2017-11-30 Since the cessation of major combat operations in Iraq approximately 120 people either contract workers or private soldiers have been abducted with one third being executed The largest contingent of these workers has been provided by the Philippines Through a specific though not exclusive focus on the Philippines connection this book considers the myriad ways in which transnational labour migration intersects with the occupation of Iraq Also examining the role of the USA in the Middle East the book places the war on terror within the practices of neoliberalism but also links this with migration issues and argues that it is all part of a larger business of conflict ***The Failures of American and European Climate Policy*** Loren R. Cass,2006-01-01 Examines why some nations but not others have met their commitments to international climate treaties

Constructing Power: A Critical and Constructivist Theory Using the American Case Kirby L. Wedekind,2025-02-28 This book asserts that there exists a causal relationship between identity interest and the exercise of power The work defines power as the ability to satisfy oneself which makes power contingent upon belief It also dissects the concepts of identity interest and power to reveal how each works and relate to the others This analysis creates a new theory of power using constructivism informed by critical theory departing from neorealist and neoliberal perspectives The work uses the United States to test the theory by examining US national identity interest and exercises of power A deconstruction of American Exceptionalism proceeds three case studies and runs as a theme to connect each unifying the work A military operation in 2016 against the Islamic State in Libya the 2014 Russian annexation of Crimea and the whiplash caused by US participation in the 2015 Paris Agreement serve as the three case studies for analyzing US identity interest and power through the theory This work proposes a new way of understanding power based on constructivism and informed by critical theory that applies to interpersonal and international relationships Every relation is a power relation and power is the ability to satisfy oneself This book provides insight into the underlying causes and machinations that transpire within every kind of social relation This is a significant shift in how power is understood and applied in politics the military business and interpersonal relationships This book seeks to provide the reader with greater and clearer understanding of themselves the world in which they live and why it exists as such **Lyndon B. Johnson** United States. President (1963-1969 : Johnson),1965 ***American Foreign Policy, Current Documents*** ,1966 *The New American Militarism* Andrew J. Bacevich,2013-05-09 An updated edition of Andrew J Bacevich s valuable examination of the dangerous obsession that has taken hold of Americans a marriage of militarism and blind utopian ideology of unprecedented military might and a blind

faith in the universality of American values *LIFE* ,1960-07-11 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Congressional Record United States. Congress,2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *State Magazine. United States Department of State* ,1999 **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1964 Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee,1967 America's Affordable Health Choices Act of 2009 United States. Congress. House. Committee on Energy and Commerce,United States. Congress. House. Committee on Ways and Means,2009 **A Nationwide Framework for Surveillance of Cardiovascular and Chronic Lung Diseases** Institute of Medicine,Board on Population Health and Public Health Practice,Committee on a National Surveillance System for Cardiovascular and Select Chronic Diseases,2011-08-26 Chronic diseases are common and costly yet they are also among the most preventable health problems Comprehensive and accurate disease surveillance systems are needed to implement successful efforts which will reduce the burden of chronic diseases on the U S population A number of sources of surveillance data including population surveys cohort studies disease registries administrative health data and vital statistics contribute critical information about chronic disease But no central surveillance system provides the information needed to analyze how chronic disease impacts the U S population to identify public health priorities or to track the progress of preventive efforts A Nationwide Framework for Surveillance of Cardiovascular and Chronic Lung Diseases outlines a conceptual framework for building a national chronic disease surveillance system focused primarily on cardiovascular and chronic lung diseases This system should be capable of providing data on disparities in incidence and prevalence of the diseases by race ethnicity socioeconomic status and geographic region along with data on disease risk factors clinical care delivery and functional health outcomes This coordinated surveillance system is needed to integrate and expand existing information across the multiple levels of decision making in order to generate actionable timely knowledge for a range of stakeholders at the local state or regional and national levels The recommendations presented in A Nationwide Framework for Surveillance of Cardiovascular and Chronic Lung Diseases focus on data collection resource allocation monitoring activities and implementation The report also recommends that systems evolve along with new knowledge about emerging risk factors advancing technologies and new understanding of the basis for disease This report will inform decision making among federal health agencies especially the Department of Health and Human Services public health and clinical practitioners non
