Americas March Toward Communism:

The Red Decade: The Classic Work on Communism in America During the Thirties Eugene Lyons, 2024-03-13T00:00:00Z Originally titled The Red Decade Stalinist Penetration of America this work describes a period in American history in the 1930s characterized by a widespread infatuation with communism in general and Stalinism in particular Lyons believed this idolization of Joseph Stalin and of Bolshevik achievements to have reached its high point in 1938 running deepest amongst liberals intellectuals and journalists and even some government and federal officials Of relevance today in light of the current interest in Socialism expressed by young voters and progressives in the U S

American Policy Toward Communist Eastern Europe John C. Campbell, 1965-06-10 American Policy Toward Communist Eastern Europe was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Perhaps no aspect of American foreign relations has been in greater need of clarification and understanding than our policy toward the Communist nations of Eastern Europe both as to what has happened in the past and what is possible for the future In this book a former State Department Official now on the staff of the Council on Foreign Relations provides objective information which will help students professors members of adult study groups and others concerned with American foreign policy to understand and discuss this important subject Mr Campbell reminds us that the cold war began in Eastern Europe in the aftermath of the second World War Since that time the question of what to do about Eastern Europe has been in the forefront of American foreign policy For some years he contends we have been uncertain of our objectives and ambivalent in our policies Meanwhile changes since the death of Stalin have created new situations both for the Soviet Union and for the West In analyzing what has happened the author emphasizes the forces which have shaken the unity of the Soviet bloc to create new perspectives and possibilities He discusses the effects of the Soviet Chinese split the relationship of the German question to that of Eastern Europe and the phenomenon of national Communism as it has appeared in different forms in Yugoslavia Poland Rumania and elsewhere After presenting the historical background the author discusses American aims and current policies and outlines the choices he sees ahead He does not plead for any one of the alternative lines of action presenting them rather as a basis for reasoned consideration and debate
