Robin Moore, 2016-02-09 In Vietnam Robin Moore became one of the first true embedded journalists training and fighting alongside America's most elite fighters. Though fictionalized, The Green Berets exposed the American public to the horrors of the ground war in Vietnam and gave the men of the Green Berets the recognition they deserved. Here is the tale of the courageous South Vietnamese girl posing as an anti-American Communist to capture the Viet Cong officer who murdered her family. Here is the graft and double dealing of South Vietnamese officers undercutting America's war effort. More importantly, here are America's soldiers showing unimaginable bravery in the face of a determined and deadly enemy. With a foreword by Major General Thomas R. Csrnko reflecting on the history and future of this elite fighting unit, The Green Berets stands as an enduring classic. One of the most exciting war books. London: Sunday Telegraph Skyhorse Publishing, as well as our Arcade Yucca and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. **Forthcoming Books**
Rose Army, 1998-04 Misfortune to Millionaire Marton Murphy, 2012-10 I think of myself sitting around a pub table or around a campfire as a storyteller informing people of how to be successful, enjoying life and helping others any way possible if I can. That is the way I would like to be remembered. Of pure Irish descent, Marton Murphy can trace his family in North America back to 1836 and follow their progression from the Atlantic to the Pacific North to Alaska and South to the Mexican border. As a boy growing up in Freetown, PEI, one of the prettiest and friendliest piece of ground in the world, I absorbed all I could about the family's earliest heritage, including my father's expertise in business and neighborliness and my mother's charitable good works as a nurse class of 1921 who taught me how to live my life. I left home at the age of 18 and enjoyed a wide variety of jobs including farm chore boy, potato picker, cow hand, stooker, tobacco primer and fruit picker in the East. When arriving in the West, I became a doodlebugger, oilfield roughneck, cat skinner, construction worker, taxi driver, while working my way up the corporate ladder before starting my own business in oil, land, cattle, engineering, contracting, environmental, manufacturing, distribution, transportation and travel while enjoying a life involved in church, community, charity and back room politics while travelling the world for business and pleasure. **The Greens Berets**, 1965 **BMG; Banjo, Mandolin, Guitar**, 1968 **Catalog of Copyright Entries** Library of Congress. Ramblings Of An Old Codger Larry Edwards,2019-12-02 You ll understand when you grow up Just wait until you have kids Well when I was a kid Just do as I say You re going to thank me for this someday Gap a space between two people or things a hole or space where something is missing Merriam Webster Generation Gap the difference in opinions values etc between young and older people Merriam Webster Generation gaps are timeless The first one was probably between Adam and Eve and their sons Cain and Abel Occasionally this gap is used to transmit wisdom from one generation to the next as it was intended Solomon possibly the wisest man who ever lived gave us a whole book of the Bible called Proverbs for the purpose of bridging the wisdom gap between his generation and the next But even after writing 9 921 profound words the next generation ended up a divided nation and eventually were conquered So apparently a lot of wise words from a really smart guy is no guarantee that one generation will listen and learn from their predecessors But that didn t stop this author from trying Instead of just shaking his head and saying Kids today Larry has consolidated his thoughts and observations of life into a set of ramblings sometimes tongue in cheek often humorously but always with the intent to pass on practical

insights and attitudes to his offspring Larry admits his error in realizing his duty to pass on vital life or death truths came late in his life but better late than never This plain ordinary old dad extols readers to learn from him and to determine to begin their own set of ramblings Our original Father even commands us to pass it on in Deuteronomy 6 6 Who knows there may be some people still willing to listen to an old codger *The History of South-Carolina* David Ramsay,1809 The History of the Revolution of South-Carolina David Ramsay,1785
