

Court Martial

**United States. Congress. Senate.
Committee on Armed Services**

Court Martial:

Military Justice Jurisdiction of Court-martial United States. Department of the Army,1973 *Court-martial Reports*,1958 Consist s of the decisions of the United States Court of Military Appeals and decisions of the Judge Advocates General of the Army Navy and Air Force The General counsel of the Treasury as the Judge Advocate General of the Coast Guard and The Boards of Review in their respective offices Pref Manual for Courts-martial United States. Department of Defense,1949 **Military Justice** United States. Department of the Army,1978 **The Sinking of the U.S.S. Indianapolis and the Subsequent Court Martial of Rear Adm. Charles B. McVay III, USN** United States. Congress. Senate. Committee on Armed Services,2000 Manual for Courts-martial, United States ,1998 **Manual for Courts-martial, 1949, Effective 1 February 1949** United States. Department of the Army,United States. Army. Office of the Judge Advocate General,1949 Military Justice United States. Congress. Senate. Judiciary,1966 Military Justice Handbook A.S. Paphiti,2013-10-29 The military justice system MJS comprises the body of law that governs the disciplinary processes within the three Services It is important to have a separate justice system to ensure that wherever in the world a serviceman is if he commits a crime or a disciplinary infraction he knows he will be dealt with according to military law The prosecution of civilians subject to Service discipline and young offenders is also included Until 2006 each Service had its own disciplinary system and disciplinary act The Armed Forces Act 2006 introduced a uniform system for the three Services harmonizing the offences and methods of disposal This was an enormous undertaking which has been largely successful The legislation still remains a complex area which is daunting to those who are unfamiliar with the system This handbook attempts to cover the key provisions To make the task of advising clients a little easier by speaking the same language a useful list is included of some common acronyms used in the Services Bearing in mind the volume of law and regulation this book is principally designed to give some useful background information about the Service disciplinary system and provide an insight into the main offences charged at summary hearing and court martial It is a sort of road map of the military justice system which complements the excellent Manual of Service Law and Judge Advocate General s guidance Rant on the Court Martial and Service Law HHJ Jeff Blackett,2009-12-03 This new edition of Rant on the Court Martial Discipline and the Criminal Process in the Armed Services follows the Armed Forces Act 2006 which overhauls the naval and military justice systems establishing a single system of service law and removing the need for separate consideration of the law applicable to the three services The Act establishes the Court Martial as a standing court and will establish a single prosecuting authority It also abolishes review removes old offences establishes new offences and introduces a new sentencing regime reflecting the changes in the civil system brought about by the Criminal Justice Act 2003 It also extends the jurisdiction of Court Martial to allow it to try certain serious offences committed in the UK treason murder manslaughter and rape brings the new sentencing provisions introduced into civilian practice by the Criminal Justice Act 2003 into the Service jurisdiction as well

as making changes to the Service Civilian Court following the extension of jurisdiction over wider sections of civilians This new edition has been fully revised to provide detailed coverage of the Act which is due to come into force in October 2009 It includes a new chapter reviewing and assessing the impact of key cases in the European Court of Human Rights new material highlighting the parallels and differences between procedure in the Crown Court and Court Martial and a more in depth treatment of sentencing matters The appendices will include the various Rules relating to Service courts relevant extracts from the Act and a list of all 65 Statutory Instruments This is an essential handbook for those practising in the Service justice system and for academics researching Service law

Uniform Prejudice Thomas C. Rust, 2025-03-25 This book examines the historical experiences of LGBTQ individuals facing discrimination in the early 20th century military before same sex acts were explicitly illegal Centered on the court martial of Private Laurence Edgar Moon in 1912 the book sheds light on the broader landscape of prejudice prior to the explicit criminalization of same sex acts in 1916 Through Moon s case the narrative delves into the interplay of gender sexuality and power within the military and society Army officers enforced a simplistic binary understanding of sexuality and masculinity linking moral character to sexual behavior Moon s experience challenges this narrow view revealing the complexities surrounding turn of the century notions of masculinity and sexual identity Employing a microhistorical approach grounded in queer theory the book uncovers often overlooked stories of queer service members who faced discrimination yet remained dedicated to their duty It also highlights the evolving language and legal definitions related to same sex acts and the cultural anxieties surrounding them illustrating the importance of queer theory and microhistory in understanding marginalized experiences *Uniform Prejudice* offers a compelling narrative of a century long history of prejudice and persecution faced by LGBTQ individuals in the military The engaging microhistorical approach captivates readers while addressing significant theoretical and historical themes This accessible book is aimed at scholars students and general readers interested in LGBTQ history military history and the ongoing challenges and advancements of LGBTQ individuals in the U S military urging a more inclusive and intersectional perspective
