assessing the strengths and weaknesses of their institutional forms in supporting the governance independence and impartiality of these pioneering criminal justice bodies Largely overlooked in the otherwise comprehensive literature on international criminal justice this book focuses on parenthood oversight and ownership by the tribunals governing bodies concepts unnecessary in national jurisdictions and traces the tension between governance and judicial independence through the different phases of the tribunals lifecycles from their establishment to commencement of operations completion of mandates and closure and finally to the afterlife of their residual phase *Green Transitional Justice* Rachel Killeen, Lauren Dempster, 2025-06-30 This book rethinks the boundaries of transitional justice urging scholars and practitioners to confront the often overlooked nexus between mass violence and ecological harm Through an in depth analysis of the field s limitations such as its anthropocentric legalism neocolonial practices and alignment with neoliberalism the book critiques the historical marginalisation of Nature in transitional justice discourse and practice It argues that ignoring environmental harm not only undermines the possibility of holistic justice but also perpetuates structural violence and inequality In response the book sketches a greener transitional justice integrating principles from environmental justice Indigenous knowledge systems and ecocentric perspectives It explores the possibilities of recognising Nature as a victim of mass violence adapting existing mechanisms to incorporate environmental harm and fostering transformative approaches premised on the interdependence of human and ecological well being This book is written for students researchers and practitioners of transitional justice and fields related to conflict transformation peacebuilding environmental protection and development *CONTOURS OF CONTEMPORARY LEGAL RESEARCH: A MULTIDISCIPLINARY PERSPECTIVE: Volume 1: FOUNDATIONS AND FRONTIERS OF PUBLIC LAW* Adarsh Pandey, Garima Dixit, Jyoti Priya, Mr. Sourabh Batar, 2025-07-12 This study delves into the multifaceted evolution of constitutionalism examining its global trajectory and specific manifestations within the Indian context Constitutionalism as a doctrine and practice embodies the principles of limited government the rule of law and the protection of individual rights evolving dynamically in response to socio political transformations and philosophical shifts By analyzing historical developments theoretical underpinnings and comparative case studies this paper elucidates the complex interplay between global constitutional norms and indigenous interpretations particularly focusing on the adaptation and innovation of constitutional principles in India *State Justice Sourcebook of Statistics and Research* , 1993-07 Brings together in one source information on the criminal justice system and the criminal justice research and analysis activities of each State Covers state justice system overview law enforcement prosecution and defense victims rights and assistance adjudication corrections statutory provisions and more Also includes a state by state discussion of the missions and goals of the State Statistical Analysis Centers and a state by state directory of criminal justice issues and research in the States Comprehensive *Criminal Punishment and Restorative Justice* David J. Cornwell, 2006-02-01 In *Criminal Punishment and Restorative Justice* author David J Cornwell draws on bedrock issues in contemporary criminology and penology in order to

contrast punitive and restorative responses to crime He then looks at the forces that serve to constrain more emphatic adoption of restorative methods and against a backdrop of increasing worldwide reliance on custody touch solutions and punitive thinking examines the claims of restorative justice to mainstream adoption by governments The book also provides an international perspective on the needs of victims and offenders alike and assesses how the worldwide trend towards punitive methods can be reversed by challenging offenders to take responsibility for their offences and to make practical reparation for the harm that they have caused Such developments the author argues would serve to make corrections more effective civilised humane pragmatic non fanciful and less driven by the often ill considered politics of the moment
