Cousin Henry:

Cousin Henry Anthony Trollope, 1993 *Cousin Henry* Anthony Trollope, 2016-01-05 Isabel Brodrick When Mr Indefer Jones spoke of living for two years he spoke more hopefully of himself than the doctor was wont to speak to Isabel The doctor from Carmarthen visited Llanfeare twice a week and having become intimate and confidential with Isabel had told her that the candle had nearly burnt itself down to the socket There was no special disease but he was a worn out old man It was well that he should allow himself to be driven out about the place every day It was well that he should be encouraged to get up after breakfast and to eat his dinner in the middle of the day after his old fashion It was well to do everything around him as though he were not a confirmed invalid But the doctor thought that he would not last long The candle as the doctor said had nearly burnt itself out in the socket And yet there was no apparent decay in the old man s intellect He had never been much given to literary pursuits but that which he had always done he did still A daily copy of whatever might be the most thoroughly Conservative paper of the day he always read carefully from the beginning to the end and a weekly copy of the Guardian nearly filled up the hours which were devoted to study On Sunday he read two sermons through having been forbidden by the doctor to take his place in the church because of the draughts and thinking apparently that it would be mean and wrong to make that an excuse for shirking an onerous duty An hour a day was devoted by him religiously to the Bible The rest of his time was occupied by the care of his property Nothing gratified him so much as the coming in of one of his tenants all of whom were so intimately known to him that old as he was he never forgot the names even of their children The idea of raising a rent was abominable to him Around the house there were about two hundred acres which he was supposed to farm On these some half dozen worn out old labourers were maintained in such a manner that no return from the land was ever forthcoming On this subject he would endure remonstrance from no one not even from Isabel **Cousin**
