**Paris to New York** Véronique Pouillard, 2021-05-04 An innovative history of the fashion industry focusing on the connections between Paris and New York art and finance and design and manufacturing Fashion is one of the most dynamic industries in the world with an annual retail value of 3 trillion and globally recognized icons like Coco Chanel Christian Dior and Yves Saint Laurent How did this industry generate such economic and symbolic capital Focusing on the roles of entrepreneurs designers and institutions in fashion s two most important twentieth century centers Paris to New York tells the history of the industry as a negotiation between art and commerce In the late nineteenth century Paris based firms set the tone for a global fashion culture nurtured by artistic visionaries In the burgeoning New York industry however the focus was on mass production American buyers trend scouts and designers crossed the Atlantic to attend couture openings where they were inspired by and often accused of counterfeiting designs made in Paris For their part Paris couturiers traveled to New York to understand what American consumers wanted and to make deals with local manufacturers for whom they designed exclusive garments and accessories The cooperation and competition between the two continents transformed the fashion industry in the early and mid twentieth century producing a hybrid of art and commodity V ronique Pouillard shows how the Paris New York connection gave way in the 1960s to a network of widely distributed design and manufacturing centers Since then fashion has diversified Tastes are no longer set by elites alone but come from the street and from countercultures and the business of fashion has transformed into a global enterprise

*The Cambridge Global History of Fashion: Volume 2* Christopher Breward, Beverly Lemire, Giorgio Riello, 2023-08-17 Volume II surveys the history of fashion from the nineteenth century to the present day Covering the period beginning with mass industry and ending with calls for sustainability this volume challenges the meaning of modernity and modernism from a global perspective and reflects on important scholarship that has changed our understanding of the relationship between fashion and colonialism Empires shifted and new powers rose with fashion marking and contending with this change The volume concludes with a critical view of fashion and globalisation and explores the deep connections between the fashion industry the global economy and the politics of production and wearing in the contemporary world

**The ^AOxford Handbook of Luxury Business** Pierre-Yves Donzé, Véronique Pouillard, Joanne Roberts, 2022-01-11 This innovative volume brings together contributions from leading experts in the study of luxury to present the full range of perspectives on luxury

**Mondrian's Dress** Nancy J. Troy,Ann Marguerite Tartsinis,2023-10-24 An extraordinary look at how the style of Piet Mondrian s abstract paintings was posthumously appropriated by 1960s fashion Pop art and consumer culture Yves Saint Laurent s 1965 Mondrian dresses are among the twentieth century s most celebrated and recognizable fashions but the context of their creation involves much more than meets the eye In *Mondrian s Dress* Nancy J Troy and Ann Marguerite Tartsinis offer a fresh approach to the coupling of Piet Mondrian s interwar paintings with Saint Laurent s couture designs by exposing the rampant merchandising and commodification that these works experienced in the 1960s The authors situate the consolidation of Saint Laurent s fashion brand alongside the work of such Pop artists as Roy Lichtenstein Andy Warhol and Tom Wesselmann and show how conventional understandings of Mondrian s avant garde abstractions were transformed by the mass circulation of his signature style Beyond its attention to 1960s fashion Pop art and consumer culture *Mondrian s Dress* offers critical assessments of Saint Laurent s so called dialogue with art the remarkable art collection that he built with his partner Pierre Berge and the crucial role that photography plays in the marketing of couture The first book length study of its kind *Mondrian s Dress* is a provocative reevaluation of how art commerce and fashion became fundamentally intertwined in the postwar period

*Cultural Histories of the Material World* Peter N. Miller,2013-07-23 All across the humanities fields there is a new interest in materials and materiality This is the first book to capture and study the material turn in the humanities from all its varied perspectives *Cultural Histories of the Material World* brings together top scholars from all these different fields from Art History Anthropology Archaeology Classics Folklore History History of Science Literature Philosophy to offer their vision of what cultural history of the material world looks like and attempt to show how attention to materiality can contribute to a more precise historical understanding of specific times places ways and means The result is a spectacular kaleidoscope of future possibilities and new perspectives *The Collection* Gioia Diliberto,2008-09-02 From the critically acclaimed author of *I Am Madame X* comes this compulsively readable novel set in

Paris in 1919 about a young woman who discovers the glamor and ruthlessness of haute couture at Coco Chanel **The Handbook of Fashion Law**, 2025-02-12 Over the past few years fashion law has emerged as a vibrant field of inquiry The legal and policy issues affecting the fashion sector have been investigated with increasing intensity while a growing number of private practice lawyers and in house counsel regard themselves as practising fashion law But what is fashion law And what are the specific legal challenges facing the fashion sector as well as related solutions The Handbook of Fashion Law seeks to answer these questions by bringing together multiple voices approaches and jurisdictions Its contributions are organized into four thematic areas Part I considers the legal infrastructure of the fashion and luxury industries addressing issues related to intellectual property IP as well as the demands of the circular economy protection of cultural heritage and freedom of expression and information Part II maps the IP dimensions of fashion by reviewing the application of design rights copyright trade marks geographical indications plant variety rights and trade secrets Part III analyses specific contractual issues arising in the fashion sector It examines the application of principles and rules found in regulatory frameworks including those governing advertising competition consumer and tax laws Finally Part IV dissects and evaluates the role of new and emerging technologies in the fashion sector from a legal perspective It considers concepts such as e commerce 3D printing counterfeiting artificial intelligence non fungible tokens NFTs the metaverse gaming and wearable technology The Handbook of Fashion Law offers readers a multidisciplinary and multijurisdictional understanding of legal challenges facing the fashion sector Bringing together a diverse range of experts its contributions offer readers an in depth critical and strategic understanding of the fashion industry s legal intricacies **Modernist Cultural Studies** Catherine Driscoll, 2010-01-03 For many scholars cultural studies is viewed as a product of postmodern criticism and as the antithesis of modernism In this brilliant work Catherine Driscoll argues persuasively that we must view what we call cultural studies as a direct continuation of the innovations and concerns of modernism and the modernists In making her case Driscoll provides a fresh take on arguments some seemingly unresolvable that pivot on modernism s desire for novelty Defining modernity as a critical attitude rather than a time period she describes the many things these ostensibly different fields of inquiry have in common and reveals why cultural studies must be viewed as a fundamentally modernist project Casting a wide net across the shared interests of modernism and cultural studies including cinema fiction fashion art and popular music Driscoll explores such themes as love and work adolescence and everyday life the significance of the everyday the popular as a field of power and the importance of representation to identity and experience in modernity **Cubism and Its Histories** David Cottington, 2004 Cubism was the most influential artistic movement that emerged in the twentieth century Yet just what cubism was or stood for at the time of its emergence is still in dispute while the explanations offered for its importance for twentieth century art and its legacy for the present are bewildering in their variety This fascinating book offers a way beyond this confusion a narrative of its beginnings consolidation and dissemination that takes into account not only what the style

and the movement signified at the time of its emergence but also the principal writings through which cubism's significance for modernism has been established Visually stunning with over 100 illustrations this is an essential work for all students and teachers of modern art history      **Art and Food** Peter Stupples, Jane Venis, 2014-03-17 Art and Food is a collection of essays exploring a range of research topics relating to the representation of food in art and art in food from iconography and allegory through class and commensality to kitchen architecture and haute cuisine      **The Routledge History of Fashion and Dress, 1800 to the Present** Veronique Pouillard, Vincent Dubé-Sénécal, 2023-10-24 The time span covered by The Routledge History of Fashion and Dress starts in the nineteenth century with the aftermath of the consumers revolution and reaches all the way to the present The fashion and garment industries have been international from the beginning and as such this volume looks at the history of fashion and dress through the lenses of both international and global history Because fashion is also a multifaceted subject with human agency at its core at the confluence of the material fabrics clothing dyes tools and machines and the immaterial savoir faire identities images and brands this volume adopts a transdisciplinary perspective opening its pages to researchers from a variety of complementary fields The chapters in this volume are organized based on their relationship to five fields of study economics and commerce politics business identities and historical sources Paying particular attention to change the book goes beyond the great fashion capitals and well known fashion centers and points to the broader geographies of fashion Particular geographical areas focus on the emergence of new fashion systems and business models whether they be in Sweden Bangladesh or Spain or on the African continent considered to be the new frontier of the industry Covering myriad aspects of the subject this is the perfect companion for all those interested in history of dress and fashion in the modern world      *A Cultural History of Dress and Fashion in the Modern Age* Alexandra Palmer, 2018-11-01 Over the last century there has been a complete transformation of the fashion system The unitary top down fashion cycle has been replaced by the pulsations of multiple and simultaneous styles while the speed of global production and circulation has become ever faster and more complex Running in tandem the development of artificial fibres has revolutionized the composition of clothing and the increased focus on youth sexuality and the body has radically changed its design From the 1920s flapper dress to debates over the burkini fashion has continued to be deeply involved in society's larger issues Drawing on a wealth of visual textual and object sources and illustrated with 100 images A Cultural History of Dress and Fashion in the Modern Age presents essays on textiles production and distribution the body belief gender and sexuality status ethnicity and visual and literary representations to illustrate the diversity and cultural significance of dress and fashion in the period      *Circuits of Visibility* Radha Sarma Hegde, 2011 This title explores transnational media environments as a way to understand the gendered constructions and contradictions that support globalization with special emphasis on women and a global feminist perspective
