The story of the escape of a Ukrainian family from the occupation zone by Russian executioners. Real story.** Oleg Nashchubskiy, This book is the real story of one Ukrainian family and at the same time a written testimony and testimony of the cruel treatment of Ukrainian civilians by Russian military personnel for the Hague Court There is no fiction in the book every word is our blood which we paid for the right to talk about the real events that we had to go through I must immediately warn you that the book contains scenes of torture and violence committed by the Russian military against this family as well as other Ukrainian captured civilians These events these words this pain and all these deaths cannot simply be crossed out or brushed over like in a painting so that everything on the white canvas is beautiful and orderly This is a real story with a detailed description of the real events experienced by the author of the book this is a true story of life which has no right to be embellished a means of removing and not fully describing human actions so that the book looks more clean and without cruelty But by doing this with text we simultaneously change reality and make the crimes committed by Russian military personnel look less cruel and not what they really were This is the real life story of my family from which it is impossible to take and erase all these terrible scenes Because you understand these events from the lives of the tortured victims will never be erased All surviving victims of the Russians will remain with scars on their bodies and souls Peaceful Ukrainian people who have never done anything bad to anyone will never again be able to sleep peacefully plunging every day into the nightmare of memories of the torture they experienced which will emerge in every dream and traces of the inhuman cruelty of the Russians will remain on their skin forever Also these atrocities cannot be erased from the history of Russia s war against Ukraine from the abuses of Russians

against Ukrainian civilians This book is yet another piece of evidence to convict Russia Putin and all the guilty criminals in the Hague Court I couldn't delete a single line from this book I was unable to distort the real truth and soften reality After all this is all true And who needs lies Only Russians need softened facts of crimes committed And people all over the planet should know what the Russians did in Ukraine and understand what a real war is **My Triplet Possessive Mates:book 3** Pheonix Queen,2021-06-01 Book 1 of The Golden Heart Series Run run and run all I can think now is about run I have to run from here to save myself but I will be back soon for my revenge I don't know about anything that what my future holds for me while making my promise for revenge of my family and my pack I know I will make it happen when I turned 18 so I have to wait for six more months But what will happen when determined Ronnie meet with her fated mate Ooppss mates She want freedom They are control freaks she don't want mates They are hell bent to have her What will be the end Will they help her or make her their slave **The New Penelope, and Other Stories and Poems** Frances Fuller Victor,2022-09-16 In The New Penelope and Other Stories and Poems Frances Fuller Victor weaves a rich tapestry of narratives and verse that delve into the human condition with a delicate blend of realism and romanticism deftly reflecting the literary ethos of the American 19th century Victor's prose is marked by a nuance that uncovers the layers of societal norms while her poems resonate with an emotive lyrical quality that grapples with themes of identity autonomy and longing This collection not only reverberates with the authenticity of the period but also serves as a testament to the burgeoning spirit of feminist discourse encoding Victor's subtle critique of gender roles within the literary context of her time Drenched in the historical and cultural milieu that shaped her Frances Fuller Victor often overshadowed by her contemporaries emerges in this anthology as a poignant and discerning chronicler of her era Her background as a historian and advocate for women's rights is eloquently mirrored in her careful curation of narrative voice and characterization qualities that make her stories both groundbreaking and insightful Her personal journey as a self-taught intellectual fueled by relentless curiosity and a commitment to historical accuracy informs the verisimilitude and depth of the works included in this compendium The republishing of The New Penelope and Other Stories and Poems by DigiCat Publishing offers readers an opportunity to rediscover a vital voice in American literary history This edition is an indispensable addition to the libraries of literature aficionados feminists and historians alike seeking a lens into the complexity and richness of 19th century female authorship Victor's delicate prosody and narrative genius invite a rediscovery and reevaluation that both educates and captures the spirit of an era that continues to shape contemporary discourse *Gentle Artist of the San Gabriel Valley* Josette Laura Temple,Laura W.
