J. Beck,2005-06 Bans and Bertha Hanson and their children arrived in Mountain Iron Minnesota on the Mesabi Iron Range in 1892 John and Hulda Beck and their children arrived there in 1906 After they arrived both families had more children and both lost some children The four parents all worked very hard and made very little money But they had dreams that their surviving children could have more comfortable lives if they could get an education which they had been denied The two families were brought together in 1922 when the Becks oldest son married the Hansons oldest daughter the first marriage for both families Well Here We Are is a record of what is known about the ancestors and descendants of Bans and Bertha and John and Hulda It is a remarkable story of how the dreams of four minimally educated people came true largely as a result of their hard work and sacrifice but even more because they succeeded in making their children believe in those dreams and passed them on to following generations Be Still & Know That I Am God Aunt Taz,1989-12-01 The person wanting peace in their heart will find the pathway to God that settles their unrest and trauma as they allow this little book to point them to Jesus **Home Base** Judi Peers,1991 Chills of excitement swept over Dan s body at the very thought of finding his father s baseball cards It would be great if Grandma still had them he cried Some old cards are worth a lot of money Dan Quinn and his friends launch an exhaustive search for his father s baseball cards hidden somewhere on his grandparents farm It is Dan s only chance to solve a major family problem **Leona's Legacy** Kelly Simons,2002 Leona Ahnen grew up a confirmed tomboy on her family s Southern Wisconsin farm during the 1930s in the depths of America s Great Depression Her poignant story as told to friend and author Kelly Simons is the recounting of the mutual struggle and never ending work that bound her family and neighbors

to the land and to each other Leona's Legacy is a heartfelt true tale of shared toil and celebration gentle laughter and quiet fear real suffering and honest joy Leona's Legacy will take you back to a time when life was hard but simple work physically demanding but satisfying and children's imaginations powered them through adventures with Tom Mix and The Lone Ranger as they sat enthralled next to a crystal powered radio set Join Leona and her grade school classmates as they scheme to undermine a strict new teacher go along for a wild ride on a runaway hay wagon and feel the hair stand up on your neck during family ghost stories Readers of all ages will appreciate this nostalgic trip over the back roads and barnyards of a rural America still untouched by the horror and cynicism of World War II Let Leona's Legacy remind you of the real people and community values that still make our country strong Book jacket
