Black Cowboys in the American West Bruce A. Glasrud,Michael N. Searles,2016-09-28 Who were the black cowboys They were drovers foremen fiddlers cowpunchers cattle rustlers cooks and singers They worked as wranglers riders ropers bulldoggers and bronc busters They came from varied backgrounds some grew up in slavery while free blacks often got their start in Texas and Mexico Most who joined the long trail drives were men but black women also rode and worked on western ranches and farms The first overview of the subject in more than fifty years Black Cowboys in the American West surveys the life and

work of these cattle drivers from the years before the Civil War through the turn of the twentieth century Including both classic previously published articles and exciting new research this collection also features select accounts of twentieth century rodeos music people and films Arranged in three sections Cowboys on the Range Performing Cowboys and Outriders of the Black Cowboys the thirteen chapters illuminate the great diversity of the black cowboy experience Like all ranch hands and riders African American cowboys lived hard dangerous lives But black drovers were expected to do the roughest most dangerous work and to do it without complaint They faced discrimination out west albeit less than in the South which many had left in search of autonomy and freedom As cowboys they could escape the brutal violence visited on African Americans in many southern communities and northern cities Black cowhands remain an integral part of life in the West the descendants of African Americans who ventured west and helped settle and establish black communities This long overdue examination of nineteenth and twentieth century black cowboys ensures that they and their many stories and experiences will continue to be known and told

Professional football is the most popular sport in the United States today With so many famous players from the past and present some of whom achieved notoriety because of a persona they created there are fans who have also made a name for themselves by either their work and loyalty for their team or by creating an alter ego with respect to how they cheer or support their team Some have incredibly wild and outrageous outfits On game days some of these diehard fans take longer to get themselves ready for games than the players they cheer for The face paint the outrageous outfits the chants and cheers and the attention to detail are what make these fans unique During football season these diehard fans can be seen each weekend as they showcase themselves in support of their team in front of hundreds of thousands of viewers worldwide In 1998 Visa sponsored a national contest to find the wildest most loyal and most intriguing fans for each team in the league The award was entitled The Visa Hall of Fans Award as fans were chosen from each team based on their submitted essays and photos Contestants had to explain why they should represent their respective team in the Pro Football Hall of Fame in Canton Ohio At the time a special wing in the Hall was created to honor these diehard fans Visa awarded plaques to the winners originally at the Hall and later in front of the hometown fans at each team's stadium The Hall of Fame displayed the plaques for a year until the new class of fans was selected and their plaques were displayed At that point the prior year's winners had their names placed on a permanent wall plaque in the Hall of Fans wing of the Pro Football Hall of Fame Since the days of the original Visa promotion this group of honorees has carried on the tradition of recognizing ultimate fans each year Some of the fans are easily recognizable by their outfits and their nicknames Sadly some have passed on This book

profiles and showcases many of those fans who were honored by Visa at the Pro Football Hall of Fame As you read through the book you will undoubtedly recognize many of these famous fans But for those fans who are not so easily recognized as some this book's aim is to illustrate that all of the fans who were honored by Visa possess as much passion loyalty and enthusiasm as the next So when you watch Pro Football this season and always keep this book handy and when the cameras pan the NFL stadiums see how many faces you can spot from the group that calls themselves Pro Football's Most Passionate Fans
