years ago Sierra Baxter's life was thrown into turmoil when the man she loved bolted out of her life years ago. Since the day he left, she has worked hard to give her son the security he needs. She's found love and acceptance from family and friends in their small town. When the town council volunteers Sierra to be the host of Refuge Mountain's yearly Christmas Fair, she agrees. But the day her ex-fiance suddenly returns to their small town, the town council eagerly chooses him as her co-host. Sierra worries, knowing the secret she's hidden from him for the past six years is about to be uncovered. Denver Callahan returns home filled with regret at how he messed things up between them. He'd been far too young and made the worst mistake of his life when he left Sierra on the day he was supposed to marry her years ago. Everything had spiralled out of control back then, and he wasn't mature or wise enough to do the right thing. In truth, he didn't start out with plans to become a famous Country Music Singer. He'd just written songs on the side, pouring himself into his music when one day, shortly before his wedding day, his talent was discovered. Years ago, he chose the love of music over his first love. But he'd never forgotten her, the scent of her, or her beautiful smile. Now that he'd returned, it looked like they would be forced together, co-hosting their small town's Christmas Fair. Seeing the woman he loves once more, Denver's attraction to her is stronger than ever. But years of neglect and betrayal sit in between them like unbreakable walls. Maybe it's too much to hope that Sierra would forgive him for the pain and heartache he's caused her. But Denver's determined to ask for forgiveness anyway. Will Denver pick up his cowboy hat and cowboy boots and return home to stay? Can he convince Sierra that he will choose her this time, his first and forever love?
