Shorty's Story Ron Herrett, 2012-03-06 This story takes place in south eastern Alberta about nineteen fifteen 1915 along the western edge of the Cypress hills Shorty Stout a drifting cowboy arrives at the A X ranch the AXE and is given a meal and a bunk The ranch belongs to Xavier Forrest and his wife Angela hence the name A X Shorty isn't the kind to lie around so the

next morning he is out working and fixing The first thing he does is to fix the windmill which has been making a racket for weeks Because he is such a handy person with tools and can do almost any work he is given a job on the ranch When spring comes he attends a dance in town with the other hands and on the way back to the ranch he meets up with a widow and her son Dawn and Matt Ryan He stops to help them cut some firewood and soon he is working for them every weekend He fixes fences builds a log bunkhouse puts running water in the house and many other jobs that have been neglected because there was no one to do them When the bunkhouse is completed a dance is held to show how much everyones help has been appreciated Meanwhile out on the range Shorty and his riding partner Gus find a hidden valley in the hills filled with Dawn Ryans cattle The valley is believed to be the floor of an ancient lake which drained out through the dry gully that is the only entrance The cattle are separated and some are sold bringing them some sorely needed cash to help keep the ranch going Shorty Dawn and Matt do some exploring and discover a small inner valley that is a small corner of paradise This small valley is so beautiful that anyone entering it find it hard to even speak until they are back in the main valley Matt discovers there is fish in the lake in the large valley and he uses some improvised gear to catch a trout and cook it in the fire after coating it with clay He and the school teacher Karen Carter take a group of students on a survival trip to teach them how to survive if they got lost and to live off the land Dawn and Shorty eventually realize they were meant for each other a fact known to Matt and Angela Dawns older sister for some time Dawn asks Shorty to marry her and he agrees but before getting married they ride north to Medicine Hat to file for a homestead taking in the Lost Valley The day of the wedding arrives and afterwards a huge reception and dance is held at the schoolhouse just outside town About midnight Matt and the school teacher help the newlyweds escape the party and go off by themselves The weekend after the wedding the three homesteaders head for Lost Valley to get an idea of the land surrounding the valley This valley has the richest soil and the best grass in Alberta and covers an estimated three hundred acres Normally a person is allowed to file on one hundred and sixty acres but this area being in the hills is described as waste land and they are allowed to file on a half section or three hundred and twenty acres each The government will pay to have the land surveyed so a surveyor is found to do the job for them When the land is surveyed and registered in their name they need to find a way to make a wagon road to the valley as the only way in is the dry watercourse that had drained the former lake in times long past Many friends arrive to help with this task which has to be done before building materials can be hauled into the valley With much work over a long weekend a road is made to the valley and the first wagon to ever enter the valley rolls over the newly constructed road They are now ready to find a site to build a home on the Lost Valley Ranch Shorty and Dawn spend a night in the Heavenly inner valley and in the morning she tells him he is to be a daddy and that nine months down the road a little girl named Allie will be born because of one night spent in this enchanted valley

The Lawman Lily Sorren, 2004-12 Morgan McCall was long lean and mean and he didn't care who knew it It took a hard man to tame a city of sin on the plains with nothing more than his fists and a rawhide whip

Kate Stewart was the lawman's worst nightmare. She was soft as silk with more curves than his coiled whip. But she had more grit than sense when it came to tracking down stories for the readers of her newspaper back east. Could the lawman get the lady to leave wild and woolly Abilene before she got hurt or worse? Or would their battle of wills turn into something even more dangerous for the lawman: a battle for his heart.

How Successful People Win Ben Stein, 2010-08-06

How Successful People Win is a serious self-help book using as its central metaphor the life of the cowboy and his behavior as he leaves his bunkhouse. Based upon a lifetime of observation of the successful and how they got that way, Ben Stein suggests that you imitate the determination, inner mobility, activity, flexibility, and the refusal to indulge in self-pity of the cowboy in order to get what you want out of life. The idea is that if you never indulge in making excuses, refuse to let other people's hang-ups get in your way, and move deliberately toward clearly thought-out goals, you will get where you want to go. Just as the cowboy refuses to allow himself to get sidetracked by trivia, so can you refuse to allow life's inevitable challenges and distractions mar your own success and happiness. The choice is yours.

THE GOOD BARRISTER Diane Coia-Ramsay, 2023-08-16

Sophie Sullivan chances to rescue Miss Euphemia Cochrane one afternoon in the Willow Tea Rooms in Glasgow, Scotland. Miss Cochrane, a wealthy spinster whom Sophie recognizes as living in the same small town as she had forgotten her purse, causing a commotion in the tearooms and extreme embarrassment to Miss Cochrane. Sophie generously pays for both their lunches, and the women strike up an immediate friendship. When Mr. Benedict Cochrane, Euphemia's older brother and a prestigious barrister in the Glasgow High Courts, hears of his sister's new friendship, he is outraged and goes to Sophie's family's haberdashery to return Sophie's money. However, as soon as he sees the beautiful and impertinent Miss Sullivan, he abruptly changes his mind. The good barrister is instantly smitten by his sister's new friend, however, it is Scotland in 1910, and he believes Sophie Sullivan, a shopkeeper's daughter, is beneath him and not in his social class. He fights against his feelings, continually breaking promises and belittling her. However, Sophie is soon bound to join her aunt and uncle Carlisle in New York in pursuit of a wealthy husband. She is well prepared for her new life in America, having spent her spare time and wages on elocution lessons and books on manners and self-improvement. Sophie is also immediately smitten with the good barrister, however, she mistrusts his motives and finds him unreliable and an utter snob. Her affection for him will not alter her plans for a new life in the new world, even though he is determined for her to give up her ticket. There ensues a tangle of emotions with Euphemia Cochrane, and Sophie's brother Jack Sullivan often caught in the middle of the drama created by this couple who may be in love but would much prefer not to be so.

Unfair & Unbalanced Patrick M. Carlisle, 2004

Called by readers blazingly funny, divinely inspired, breathtaking, sophisticated, original, deranged, a brilliant intellect wasted, and a comedic genius, if one could stew Dave Barry, Hunter Thompson, Al Franken, and David Sedaris down into a thick, tasty ragout which might then be served over noodles that might begin to approximate the unexpectedly hilarious experience of reading Patrick Carlisle. In a thoroughly questionable and highly refutable manner, with wildly fluctuating amounts of insight and

sensitivity Mr Carlisle examines such irrational topics of modern identity as internet dating the fanatic right wing the dark dangerous appeal of Meg Ryan the unfathomable motivations behind the comb over the mysterious banana test first love antidepressants and the heartbreaking challenge of being a Yum Brands Man Pessimistic but full of longing immersed in popular culture but oddly erudite manic and depressive in turn deeply and absurdly tangential profoundly deluded and yet uncomfortably honest liberal but utterly politically incorrect most importantly in the words of one reviewer Patrick Carlisle is so horribly mind bogglingly funny

Walker's Crossing Phyllis Reynolds Naylor, 1999 While living on his family's ranch in Wyoming where he hopes to someday become a cowboy Ryan faces conflicts with his older brother who is involved in a militia movement
