Cpwo Global Trands Flex Labour

Emma Turner

A red circular graphic with a gradient, appearing as a semi-circle or a partial circle, located to the right of the Emma Turner text bar.

Cpwo Global Trands Flex Labour:

Global Trends in Flexible Labour Alan Felstead, Nick Jewson, 1999 There has been a significant growth in flexible or non standard forms of employment Within a conceptual framework that focuses on the nature of employment relationships this text explores the spatial and temporal connections between work and non work and the development of flexible labour within a global arena In addition it considers the circumstances which have given rise to a variety of non standard forms including the impact of deregulation government policies unemployment globalization employer strategies and trade union responses Providing an international and comparative focus it offers an account of an increasingly common form of work *Let's Talk about Flex: Flipping the flexible working narrative for education* Emma Turner, 2020-11-25 The narrative around flexible working needs flipping After being able to work flexibly for 14 of her 23 years in education across teaching school leadership and MAT leadership roles Emma Turner realised that sadly she s actually in the minority and has just been kinda lucky Across the education system although there is a recent groundswell of support for developing more life friendly innovative and flexi ways of working there are still a great deal of misconceptions biases and prejudices about flexible working and flexible workers Through her playlist of educational floor fillers Emma explores some of the successful ways in which flexible working can be viewed by both employers and employees for staff at all levels including senior and school leadership Designed to open up the flexible working conversation this book outlines what can work what has worked and what could work This new way of viewing the flexi narrative from an experienced flex pert encourages all to revisit our views on flexible working

Workers' Rights and Labor Compliance in Global Supply Chains Jennifer Bair, Doug Miller, Marsha Dickson, 2013-11-26 This book provides insight into the potential for the market to protect and improve labour standards and working conditions in global apparel supply chains It examines the possibilities and limitations of market approaches to securing social compliance in global manufacturing industries It does so by tracing the historic origins of social labelling both in trade union and consumer constituencies considering industry and consumer perspectives on the benefits and drawbacks of social labelling comparing efforts to develop and implement labelling initiatives in various countries and locating social labelling within contemporary debates and controversies about the implications of globalization for workers worldwide Scholars and students of globalisation development corporate social responsibility human geography labour and industrial relations business ethics consumer behaviour and fashion will find its contents of relevance CSR practitioners in the clothing and other industries will also find this useful in developing policy with respect to supply chain assurance

Combating Forced Labour International Labour Office. Special Action Programme to Combat Forced Labour, Philip Hunter, 2008 Forced labour is becoming an increasingly important issue for employer s organisations and businesses This handbook addressed to a broad spectrum of business actors provides practical tools and guidance material to enable employers to identify and prevent forced labour and take remedial action where necessary Designed for practical use by the business community the

handbook consists of a range of booklets including background information frequently asked questions tips for taking action and individual case studies Small and medium sized enterprises as well as organizations within the broader community of CSR will find this cross sectoral approach useful
