**Selling the Sacred** Mara Einstein, Sarah McFarland

Taylor, 2024-03-01 There's religion in my marketing. There's marketing in my religion. *Selling the Sacred* explores the religious, cultural, and media implications of a two-sided phenomenon: marketing religion as a product and marketing products as religion. What do various forms of religion marketing collaboration look like in the twenty-first century, and what does this tell us about American culture and society? Social and technological changes rapidly and continuously reframe religious and marketing landscapes. CrossFit is a cult. Televangelists use psychographics and data marketing. QAnon is a religion and a big business. These are some of the examples highlighted in this collection, which engages themes related to capitalist narratives, issues related to gender and race, and the intersection of religion, politics, and marketing among other key issues. The innovative contributors examine the phenomenon of selling the sacred, providing a better understanding of how marketing tactics married with religious content influence our thinking and everyday lives. These scholars bring to light how political, economic, and ideological agendas infuse the construction and presentation of the sacred via more traditional religious institutions or consumer product marketing. By examining religion and marketing broadly, this book offers engaging tools to recognize and unpack what gets sold as sacred, what's at stake, and the consequences. A go-to resource for those working in marketing studies, religious studies, and media studies. *Selling the Sacred* is also a must-read for religious and marketing professionals.

*Nonfiction Writing Power* Adrienne Gear, 2014-02-17 Writing nonfiction is a key skill that students will need throughout their school lives and beyond. This remarkable book is designed to help teachers develop a writing program that will enable their students to harness all of their Nonfiction Writing Powers to Describe, to Instruct, to Compare, to Persuade, to Explain, and to Report. It illustrates ways to encourage students to write because they have something to say and to recognize that writing well means considering intent and purpose and choosing the best form of expression. Ideal for teaching writing in the content areas, the book includes guidance on linking writing forms to Science, Social Studies, and other subject areas.

*I Flew into the Cuckoo's Nest!* Robert A. Strauss, 2018-02-15 Do you question things? I mean, really question things right down to the nitty-gritty of life. How about getting blamed for something you didn't do, or vice versa? How about rejection? I'm good at that. Something about you, someone doesn't like you. Welcome to the club. This is a book about life, real life, not the glossed-over look at me, how pretty, kind of crap. This is about the good, the bad, and the ugly. I've scored really high on two of those. Welcome to life the way I saw it, and the way life saw me while I've occupied this planet. Things in my life may not be all that different than it is for you, and you've probably had your own personalized versions of the junk that goes on in these pages. I hope you handled it better than me. Welcome to the cuckoo's nest.

***The Sunset of My Life*** Joseph Lange, 2020-08-27 A man goes through the four seasons of his life much too quickly. The hustle and frantic pace of life blinds him to the wonders that God puts before him daily: the butterfly that alights upon a small flower, completely missed the sunrises and sunsets without fanfare as he toils to his eventual end. If he is lucky, he realizes the folly of his ways and slows to see the beauty

before him appreciate the little things the quiet things the ripple on the pond stopping to breathe and reflect and perhaps to listen to the soft sounds of God's great work I have entered the sunset of my life My time on earth ordained by God wanes like the setting of the sun and as the brilliant colors light the sky so does my love for what God has given me through my many years To see the singular snowflake hear the cry of the chickadee I invite you to come with me as my stories tell of my journey to this moment in time Sit back in a quiet spot open this book feel its pages and see what I have seen May God bless and keep you and perhaps slow you down **Thoughts, Moments and Memories** Joseph Lange, 2019-09-27 As the mist rises from the forest on the warming morning breeze so do the memories in an old man's mind Rising up from long forgotten places recessed deep within the mind the changes of the seasons mirror the changes of your own life Each separate and filled with wonder Each giving a life lesson if you will only notice Each day a gift Each flower a wonder The Thoughts Moments and Memories of fifty years observing the glory of God in his magical forests For those who can close their eyes and see only fading footprints of their journeys deep within the forest and woodlots of Wisconsin I invite you to come along with me To relieve the sights and sounds I have had in my fifty years in a tree stand God speaks in many places He has spoken to me as I sat in his wild places Spoken softly on the warm south wind as well as harsh lessons carried on the winds of winter May God grant you peace in this busy world Take time from it to walk the quiet land Sit by the small streams and listen You like I will hear him You need only to calm yourselves and seek it When you get to the end of your life's trail you will know that you have truly lived

**Creating the Nisei Market** Shiho Imai,2010-08-11 In 1922 the U S Supreme Court declared Japanese immigrants ineligible for American citizenship because they were not white dismissing the plaintiff s appeal to skin tone Unable to claim whiteness through naturalization laws Japanese Americans in Hawai i developed their own racial currency to secure a prominent place in the Island s postwar social hierarchy Creating the Nisei Market explores how different groups within Japanese American society in particular the press and merchants staked a claim to whiteness on the basis of hue and culture Using Japanese and English language sources from the interwar years it demonstrates how the meaning of whiteness evolved from mere physical distinctions to cultural markers of difference increasingly articulated in material terms Nisei consumer culture demands examination because consumption was vital to the privilege making process that spilled over into public life Although economically motivated Japanese American shopkeepers worked hard to support the next generation of merchants and secure the future of the Nisei consumer market Far from its image as a static society the Japanese American community was constantly reinventing itself to meet changing consumer demands and social expectations The author builds on recent scholarship that considers ethnic communities within a trans Pacific context highlighting ethnic fluidity as a strategy for material and cultural success Yet even as it assumed a position of conformity the Japanese American consumer culture that took hold among Honolulu s middle class was distinct It was at once modern and nostalgic like the wayo secchu ideal a hybrid of Western and Japanese notions of beauty and femininity that linked the ethnic group to the homeland and mainstream U S culture By focusing on the marketing of whiteness that connected the old world and new Creating the Nisei Market reveals the dynamic commercial and cultural environment that underwrote the rise of the Nisei in Hawai i

**Out Of Sight, Out Of Mind** Yvonne Vissing,2021-03-17 Because they re small they re easy to overlook Because their voices don t carry far it s hard to hear them We d rather not look too closely or listen too carefully And if we don t see them maybe they ll just go away But the invisible homeless cannot simply fly away to never never land or pull themselves up by their bootstraps or make a wish upon a star These homeless people are children and they are not always in the inner cities as Yvonne Vissing shows in this poignant study of families housing and poverty As many as a third of our nation s homeless are found in rural and small town America They are all too commonly out of sight and out of mind Homelessness in small towns and rural areas

is on the rise Drawing on interviews with and case studies of three hundred children and their families with supporting statistics from federal state and private agencies Vissing illustrates the impact this social problem has upon education health and the economy Families vividly describe the ways they have fallen through cracks in the social structure from home ownership into homelessness Looking toward the future Vissing asks if homeless children are destined to become dysfunctional adults and provides a sixteen year old girl's moving testimony of the vagabond life her homeless family led While the economy and the very nature of the family have changed over past decades housing education and human service industries have failed to adapt Vissing provides a planning model for improving support networks within communities and challenges Americans with a fundamental philosophical question Do homeless children merit fullscale social intervention Ultimately Out of Sight Out of Mind compels us not merely to voice concerns for family and community values but also to assert this commitment consciously through improved essential services
