Conflicted Destiny Pete Amadi, 2013-09 From the author's ancestral home of Owerri Nkworji Town in the eastern region of Nigeria to JFK Airport in New York City *Conflicted Destiny* is a profoundly visceral and spiritual memoir of one man's unrelenting focus to transcend his circumstances to fulfill the destiny that is written on his heart Driven by an insatiable ambition and an unquenchable fire in his spirit Pete Amadi eloquently and tirelessly describes details of his life from birth to young adulthood While facing chaos poverty and abuse in a country known for its diversity and tension Mr Amadi is forced to summon the fullness of his own intellectual spiritual and emotional resources to cope with complicated and tangled cultural traditions Despite all the obstacles in his path it was his vision and inspiration for a greater life that caused him to remain steadfast and strong in completely unacceptable situations and it was this vision and inspiration that ultimately delivered him to the shores of the United States of America

The Passion of Private White Don Watson, 2023-03-16 The story of a fifty year relationship between a Vietnam veteran and a remote Aboriginal tribe a miniature epic of human adaptation suffering and resilience *The Passion of Private White* describes the meeting of two worlds the world of the fiercely driven biologist and anthropologist Neville White and the world of the hunter gatherer clans of remote northern Australia he studied and lived with As White tried to understand the world as it was understood on the other side of the vast cultural divide he was also trying to transcend the mental scars he suffered on the battlefields of Vietnam The clans had their own injuries to deal with as they tried to adapt to modernity live down their losses and yet hold onto their ancient lands customs laws and language Over five decades White mapped in astonishing detail the culture and history of the Yolgnu clans at Donydji in north east Arnhem Land But eventually presence meant involvement and White became advocate more than anthropologist in the clan's struggle to survive when everything from the ambitions of mining companies and a zombie bureaucracy to feuds sorcery and magic despair and dysfunction conspired to destroy them And the fifty year endeavour served another purpose for White and the members of his old platoon he took there Working to help the community at Donydji became a kind of antidote for the psychic wounds of Vietnam While for the clans from the old warriors to the children their fanatical benefactor offered a few rays of meaning and hope There was no cure in this meeting of two worlds both suffering their own form of PTSD but they helped each other survive This is a miniature epic of human adaptation suffering and resilience an astonishing window into both our recent and our deep history the coloniser and colonised indeed into the human condition itself

Educators Guide to Free Social Studies Materials Patricia A. Horkheimer Suttles, 1971 The Clinton Tapes Taylor Branch, 2010-09-02 The Clinton Tapes was a secret project initiated by Clinton to preserve for future historians an unfiltered record of presidential experience During his eight years in office Clinton met with Taylor Branch in the White House usually late at night to answer questions and tell stories Branch recorded seventy nine of their dialogues to compile a trove of raw information about a presidency as it happened Branch then recorded his own detailed recollections immediately after each session covering not only the subjects discussed but also the look and feel of each evening with the president Their discussions were unpredictable intense and candid At any given moment the president could leap from memories to a current crisis or problems with his daughter's homework The resultant text captures Clinton from many angles Branch's firsthand narrative is confessional unsparing and personal What should an objective prompter say when the President of the United States seeks advice argues facts or lodges complaints against the press The relationship that emerges from these interviews is dynamic both affectionate and charged with flashes of anger and humor President Clinton drives the history but this story is also about two friends
