Kennedy** Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr Livingstone s major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film Investigation of the Assassination of President John F. Kennedy: Conspiracy witnesses in Dealey Plaza. Oswald-Tippit associates. George de Mohrenschildt. Depositions of Marina Oswald Porter. The defector study. Select Committee on Assassinations, 1978 *JFK and the End of America* Tim

Fleming,2018-01-29 JFK and the End of America is the culmination of Tim Fleming s 50 years of research into the Kennedy assassination The book makes the case that Lee Harvey Oswald did not kill the president Rather an elaborate plot concocted and executed by a sinister covert cabal took Kennedy s life The plotters who stood to gain the most from JFK s death Lyndon Johnson and Allen Dulles were abetted by powerful interests in government business and the military Kennedy was moving America toward a permanent peace state threatening the national security military establishment whose existence is dependent on a permanent war state Since 1963 we have been at war or under a threat of war spending nearly six of every ten tax dollars on defense It is vital to expose the truth of who killed Kennedy and why if we are to understand the real history of America since 1963 Fleming draws a straight line from Dallas to the political and cultural divide that afflicts us today

Why the JFK Assassination Still Matters Richard Buyer,2009 We live in a great country Yet we must have faith and trust in our government or we cannot succeed On the other hand the government must also believe in its own people Both factions must tell the truth For this reason the JFK assassination still matters History cannot be replayed but it can be rewritten Why read another book about the JFK assassination It s simple the major crime of the twentieth century remains unsolved Although the assassination of President John F Kennedy happened in 1963 the reverberations of this horrific event are still felt today Discrepancies and questions about the assassination remain unanswered Was there a conspiracy behind the assassination If so who was involved Why the JFK Assassination Still Matters discusses new ideas showing Lee Harvey Oswald never fired a shot at the president The Warren Commission was a hoax and the single bullet theory was physiologically impossible Strange bedfellows emerged when the CIA formed a coalition with organized crime in an attempt to assassinate Fidel Castro President Kennedy became a threat to very powerful forces when he tried to establish a peaceful coexistence with Russia and Cuba About the Author Dr Richard Buyer has been practicing medicine for over thirty five years The assassination of President John F Kennedy was probably the greatest tragedy he has personally experienced He wrote this book to help his children learn the truth behind this horrific event His daughter

Kennedy happened to be born on the anniversary of the assassination It is Dr Buyer s goal that all children as well as adults will finally learn the truth about the assassination **Lbj the Dallas Incident** Dr. John Chandler Griffin,2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions chard questions that insulted both the WC s judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald s mother to vindicate her son published his myth shattering book Rush To Judgment The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison s trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news media Still he persisted In the end with no witnesses 0 testify Garrison s trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May God be with them

Conspiracy in Camelot Jerome A. Kroth,2003 This complete and up to date synopsis of the assassination of JFK the actors witnesses and investigators weighs the different theories and looks at the drama as both a detective story and a defining moment in American mass psychology *The Kennedy Assassinations* John F. Kennedy Library,1983 *The Hunt For Margaret Thatcher's Assassin* Geoffrey Gilson,2014-05-01 An explosive tale of suspense and drama as the author dodges bullets the CIA and a crazy Israeli Intelligence agent in his real life rollercoaster quest to hunt down the key to the deep dark secret which will rock the governments of both Great Britain and the United States and trigger the political scandal of the century Investigating the Kennedy Assassination Robert Lockwood Mills,Michael Deeb,2024-08-20 For the first time in

one place the reader will see all the likely conspirators revealed The Warren Commission and the FBI agreed that President John F Kennedy was killed by a lone gunman Lee Harvey Oswald Fifteen years later the House Committee on Assassinations re examined the evidence They announced that he was not killed by a single gunman but probably murdered as the result of a conspiracy This House Committee hesitated to speculate on who might have been involved in that conspiracy or why John F Kennedy was killed in Dallas on November 22 1963 In 1979 Michael Burke and former congressman Harold Ryan were asked to continue that investigation This historical novel will take the reader back to that time Burke and Ryan will peel back the passage of time and the layers of secrecy and denial to reveal the reasons so many elites were determined to stop the Kennedy agenda

Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject *Reporting on the Kennedy Assassination* Willem L. Oltmans, 2017-03-17 In March 1964 the Dutch journalist Willem Oltmans 1925 2004 encountered Marguerite Oswald Lee Harvey Oswald's mother at JFK International Airport In April 1977 he found himself testifying before the House Select Committee on Assassinations HSCA In the thirteen years between these two events Oltmans conducted his own investigation into the assassination of John F Kennedy an undertaking that would bring him into contact with a host of individuals with prominent roles in the case most notably George de Mohrenschildt 1911 1977 whose involvement with Oswald and whose own untimely death remain mysteries to this day *Reporting on the Kennedy Assassination* is Oltmans's account of his investigation published here for the first time in English Combining personal memoir and factual reporting the book chronicles the journalist's interviews with figures such as Jim Garrison and Cyril Wecht his long and complicated friendship with de Mohrenschildt and his wife and his own whirlwind experience in the media spotlight Most saliently *Reporting on the Kennedy Assassination* offers an intimate look at Oltmans's collaboration with de Mohrenschildt on the book that would later become *Lee Harvey Oswald as I Knew Him* and at the circumstances surrounding de Mohrenschildt's death and his possible implication in Oswald's actions Systematically annotated and fact checked with an insightful introduction from editor Michael Rinella and a wealth of rare photographs and letters this book provides a fascinating portrait of one of the twentieth century's most controversial journalists even as it completes a critical chapter in the investigation of the Kennedy assassination **Interview with**

History Pamela J. Ray, James E. Files, 2007-09-19 looks behind the scenes at some of the most shocking and horrific things going on here in America starting with the daytime assassination of President John F Kennedy and the implications it serves up to the citizens of a free country The author Pamela Ray along with James Files former CIA Mob hit man the infamous grassy knoll shooter explore the truths behind some basic questions still lingering decades after the JFK assassination Why was President Kennedy killed Who benefited Who had the power to cover it up And more specifically Did Lee Harvey Oswald spend time with James Files the week before November 22 1963 Why Did Files and Oswald have the same CIA controller David A Phillips Was there a military and CIA presence in Dealey Plaza when the fatal shots were fired What is the Military Industrial Complex and why were American citizens warned about it by President Eisenhower in his farewell address to the nation Are some of the same players from 1963 involved in today's headlines What does all this indicate These questions and more will be looked at as Ray and Files discuss the events surrounding the fateful day in Dallas when a whole new form of government took over During the course of Interview with History the authors delve into other related shadowy underworld subjects where it is hard to tell where Organized Crime stops and the CIA and other U S government agencies begin *Ask Yourself* Luis Bernardo Mercado, 2008-09 **American Opinion**, 1976 **Act of Retribution** J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedy's assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the President's assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the President's murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government

officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maint
