Courage To Change A Paradigm For Success:

Courage to Change Shirley Summer, 1993 **CULTURE SHIFT** Gary Nicolosi, 2024-11-14

These are difficult times for churches. Less than half the population in the United States and Canada are now members of any church and the percentage of people who call themselves Christian or even believe in God is rapidly declining. And yet churches still have the potential to grow into vibrant life giving communities that engage the culture, attract new members, do good works and share the good news of God's amazing love in Jesus.

CULTURE SHIFT surveys the history of a changing culture to explain the conditions which the Church confronts and the challenges it must address. It details three major culture shifts that are impacting the church and then offers a framework for an effective missional response. The heart of the book consists of seven workshops that will be especially helpful to vestries, parish councils, evangelism and church growth committees or even in a parish forum. Any of the workshops may be used without copyright permission. These workshops include: Ministry in an Emerging World, Building a Missionally Effective Church, Change and Paradigms, Marketing the Church, Worship Planning, Building a Better Stewardship Campaign, Diagnostic Tools for Strategic Ministry Planning.

With his extensive experience in ministering to urban, suburban and rural churches, large and small, Gary Nicolosi is convinced any church can grow if the leadership and members desire to grow and are willing to pay the price.
