

The background of the cover is a complex, abstract illustration in a cubist style. It features a dense arrangement of geometric shapes, including circles, rectangles, and lines, in a palette of muted blues, yellows, and greys. These shapes are layered and overlapping, creating a sense of depth and movement. Some elements resemble mechanical parts like gears, pistons, and structural beams, while others are more purely geometric. The overall effect is a technical yet artistic representation of machinery and engineering.
