

A Course of Their Own

Course Of Their Own A History Of African American Golfers

Todd Boyd

Course Of Their Own A History Of African American Golfers:

A Course of Their Own, 2005-01-01 Bill Spiller was forty seven when he was forced by desperate finances to caddie at the Hillcrest Country Club in Los Angeles One day Spiller was caddying for a member who became outraged by Spiller s stories of inequities and suffering during his golfing career The golfer urged Spiller to write California s attorney general who later ordered the Professional Golfers Association PGA to cease its discrimination In 1961 the Caucasian race clause was deleted from the PGA constitution This was an historic decision that gave black golfers the chance to compete at the highest level in the sport Golf has long been the domain of white men During the twentieth century however African American pioneers such as Lee Elder Howard Wheeler and Charlie Sifford broke down the barriers for black golfers who wanted to play and win as equals with white golfers *A Course of Their Own* looks at golf from the perspectives of these men who had courage as well as remarkable skills It tells the stories of their struggles their bravery and their passion for the game and puts their lives and contributions into historical perspective

Before Jackie Robinson Gerald R. Gems, 2017-02 While the accomplishments and influence of Jack Johnson Joe Louis Jesse Owens Jackie Robinson and Muhammad Ali are doubtless impressive solely on their merits these luminaries of the Black sporting experience did not emerge spontaneously Their rise was part of a gradual evolution in social and power relations in American culture between the 1890s and 1940s that included athletes such as jockey Isaac Murphy barnstorming pilot Bessie Coleman and golfer Teddy Rhodes The contributions of these early athletes to our broader collective history and their heroic confrontations with the entrenched racism of their times helped bring about the incremental changes that after 1945 allowed for sports to be more fully integrated *Before Jackie Robinson* details and analyzes the lives of these lesser known but important athletes within the broader history of Black liberation These figures not only excelled in their given sports but also transcended class and racial divides in making inroads into popular culture despite the societal restrictions placed on them They were also among the first athletes to blur the line between athletics entertainment and celebrity culture This volume presents a more nuanced account of early Black American athletes lives and their ongoing struggle for acceptance relevance and personal and group identity

Encyclopedia of African American History, 1896 to the Present Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century

Leading Figures in the History of Omega Psi Phi Fraternity, Inc. Judson L. Jeffries, 2025-02-04 Highlighting 21 members of this illustrious historically Black fraternity Omega Psi Phi Fraternity Inc was founded in 1911 at Howard University to cultivate and nurture a generation of leaders who would work toward racial uplift and influence American society In an unprecedented two volumes Judson Jeffries brings together original works on 21 of the fraternity s accomplished and influential members Written by a diverse group of scholars these profiles highlight the national importance of these figures in their chosen fields of endeavor as well as the enormous impact of this great fraternity In volume 1 Jeffries

presents a prologue and introduction that outline the story of the fraternity's founding in the context of the racial social political and educational history of the period This volume spotlights scientists Ernest E Just and Percy Lavon Julian civil rights lawyers Fred Gray Oliver Hill Spottswood Robinson and Oscar W Adams Jr sports legends Robert Lee Elder and Clarence Gaines and musicians Count Basie Max Roach and Roland Hayes Including both widely recognized and little known individuals and featuring people who were on the front lines of the struggle for racial equality and those whose work took place behind the scenes these volumes show the contributions of Black leaders in the areas of science civil rights athletics the arts the military politics education and more Leading Figures in the History of Omega Psi Phi Fraternity Inc is a testament to the significance of Black Greek letter organizations whose members have made history through lives of struggle accomplishment triumph and uplift Contributors Arthur Smith Kevin C McDonald Marvin P Dawkins Theodore Walker Jr Marvin Chiles Wawaise Schmidt Bertis D English Judson L Jeffries Jomills Henry Braddock II Matthew Buttermann Christopher A Brooks Derryn Moten

Racial Ambiguity in Asian American Culture Jennifer Ann Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In *Racial Ambiguity in Asian American Culture* Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in *Racial Ambiguity in Asian American Culture* that seeing race as ambiguous puts us one step closer to a potential antidote to racism

The Kingdom of Golf in America Richard J. Moss, 2020-03-09 For golf's true enthusiasts the game is far more and far more complex than a simple hobby commodity or slice of the sports industry It is a physical and mental place to be a community It has a history a hierarchy laws a language and a literature And in Richard J Moss it has a chronicler From its beginnings in the northeastern United States in the 1880s golf has seen its popularity and its fortunes wax and wane affected by politics and economics reflecting tensions between aristocratic and democratic impulses *The Kingdom of Golf in America* traces these ups and

downs ins and outs in the growth of golf as a community Moss describes the development of the private club and public course and the impact of wealth and the consumer culture on those who play golf and those who watch He shows that factors like race gender technology suburbanization and the transformation of the South that shaped the nation also shaped golf The result is a unique and uniquely entertaining work of cultural history that shows us golf as a community whose story resonates far beyond the confines of the course Purchase the audio edition [African Americans in Sports](#) David K.

Wiggins,2015-03-26 This two volume set features 400 articles on African Americans in sports including biographical entries as well as entries on events tournaments leagues clubs films and associations The entries cover all professional amateur and college sports such as baseball tennis and golf *Fair Ways* Robert J. Robertson,2005 Annotation In the summer of 1955 six African American golfers in Beaumont Texas began attacking the Jim Crow caste system when they filed a federal lawsuit for the right to play the municipal golf course The golfers and their African American lawyers went to federal court and asked a conservative white Republican judge to render a decision that would not only integrate the local golf course but also set precedent for desegregation of other public facilities In *Fair Ways* Robert J Robertson chronicles three parallel stories that converged in this important case He tells the story of the plaintiffs avid golfers who had learned the game while working as caddies and waiters of their young lawyers recent graduates from Howard University law school and of the Republican judge just appointed to the bench by President Eisenhower Using public case papers public records newspapers and oral histories Robertson has recreated the scene in Beaumont on the eve of desegregation *Fair Ways* gives a vivid picture of racial segregation and the forces that brought about its end *Separate Games* David K. Wiggins,Ryan Swanson,2016-11-01 The

hardening of racial lines during the first half of the twentieth century eliminated almost all African Americans from white organized sports forcing black athletes to form their own teams organizations and events This separate sporting culture explored in the twelve essays included here comprised much more than athletic competition these separate games provided examples of black enterprise and black self help and showed the importance of agency and the quest for racial uplift in a country fraught with racist thinking and discrimination [Golf and Philosophy](#) Andy Wible,2010-08-11 In a game where players are expected to call their own penalties and scoring the least points leads to victory decorum takes precedence over showmanship and philosophical questions become par for the course Few other sports are as suited for ethical and metaphysical examination as golf It is a game defined by dichotomies relaxing yet frustrating social yet solitary and between these extremes there is room for much philosophical inquiry In *Golf and Philosophy* Lessons from the Links a clubhouse full of skilled contributors tee off on a range of philosophical topics within the framework of the fairway The book s chapters are arranged in the style of an eighteen hole golf course with the front nine exploring ethical matters of rationality and social civility in a world of moral hazards and roughs The back nine pries even deeper slicing into matters of the metaphysical including chapters on mysticism idealism identity and meaning Taken together the collection examines the intellectual nature

of this beloved pastime considering the many nuances of a sport that requires high levels of concentration patience and consistency as well as upstanding moral character Golf and Philosophy celebrates the joys and complexities of the game demonstrating that golf has much to teach both its spectators and participants about modern life **Game of Privilege**

Lane Demas,2017-09-11 This groundbreaking history of African Americans and golf explores the role of race class and public space in golf course development the stories of individual black golfers during the age of segregation the legal battle to integrate public golf courses and the little known history of the United Golfers Association UGA a black golf tour that operated from 1925 to 1975 Lane Demas charts how African Americans nationwide organized social campaigns filed lawsuits and went to jail in order to desegregate courses he also provides dramatic stories of golfers who boldly confronted wider segregation more broadly in their local communities As national civil rights organizations debated golf s symbolism and whether or not to pursue the game s integration black players and caddies took matters into their own hands and helped shape its subculture while UGA participants forged one of the most durable black sporting organizations in American history as they fought to join the white Professional Golfers Association PGA From George F Grant s invention of the golf tee in 1899 to the dominance of superstar Tiger Woods in the 1990s this revelatory and comprehensive work challenges stereotypes and indeed the fundamental story of race and golf in American culture Congressional Record United States. Congress,2008

The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Heroines of African American Golf* M. Mikell Johnson, Ph.D.,2010-08-24

Heroines of African American Golf a fully illustrated companion volume to *The African American Golfer Her Legacy* serves as a compendium of in depth biographies of women collegians and junior golfers who have defied the odds in playing in the sport of golf Ten of the golfers biographies included are actually written by the athletes themselves covering their personal experiences in the sport Fascinating photographs also illustrate many of the golfers stories A heroine is a daring person good adventurous famous ideal legendary victorious and courageous a role model and a goddess The African American woman golfer personifies all of these traits and more She is the woman of no equal in the days of modern sports Black women today are stronger healthier more educated well traveled and living longer than ever before Their organizations bring the sport of golf to their communities encouraging women to become more active in the sport at all levels This collection of biographies tells their stories describing the adventures of heroines from the past the present and the future Twin Cities Sports Sheldon Anderson,2020-02-03

The histories in *Twin Cities Sports* are rooted in the class ethnic and regional identity of this unique upper midwestern metropolitan area The compilation includes a wide range of important studies on the hub of interwar speedskating the success of Gopher football in the Jim Crow era the integration of municipal

golf courses the building of a world renowned park system the Minneapolis Lakers basketball dynasty the Minnesota Twins connections to Cuba and more

A Companion to American Sport History Steven A. Riess, 2014-03-26 *A Companion to American Sport History* presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH

White Sports/Black Sports Lori Latrice Martin, 2015-03-03 The racial makeup of sports in the United States serves as a classic example of racism in the 21st century This book examines the racial disparities in sports and the continuing significance of race in 21st century America debunking the myth of a postracial society Sports can serve as an inspirational example of what can be achieved through hard work and perseverance regardless of one's race However there is plenty of evidence that race still plays a major role in sports and that sports are key agents of racial socialization *White Sports Black Sports Racial Disparities in Athletic Programs* challenges the idea that America has moved beyond racial discrimination and identifies the obvious and subtle ways in which racial identities and athletic determinism affect non white individuals in the world of sports Author Lori Latrice Martin gives readers a keen awareness of the issues allowing them to see the links between sports and society as a whole and to perceive that the issues surrounding racism in sports impact people in every realm of life and are not limited to the playing field She discusses how the media acts as an agent of racial socialization in sports documents how historical stereotypes of minorities still exist and looks closely at racial socialization in sports including basketball baseball and football exposing how blacks remained underrepresented in most sports especially among front office administrators owners coaches and managers This work serves undergraduate and graduate students in the social sciences to enhance their understanding of minority and majority group relationships and appeals to general readers interested in the history of race and sports in America

Encyclopedia of African American Society Gerald D. Jaynes, 2005-02 An encyclopedic reference of African American history and culture

African Americans and Popular Culture Todd Boyd, 2008-10-30 The African American influence on popular culture is among the most sweeping and lasting this country has seen Despite a history of institutionalized racism black artists entertainers and entrepreneurs have had enormous impact on American popular culture Pioneers such as Oscar Micheaux Paul Robeson Satchel Paige Josh Gibson Langston Hughes Bill Bojangles Robinson and Bessie Smith paved the way for Jackie Robinson Nina Simone James Baldwin Bill Russell Muhammad Ali Sidney Poitier and Bill Cosby who in turn opened the door for Spike Lee Dave Chappelle Dr Dre Jay Z Tiger Woods and Michael Jordan Today hip hop is the most powerful element of

youth culture white teenagers outnumber blacks as purchasers of rap music black themed movies are regularly successful at the box office and black writers have been anthologized and canonized right alongside white ones Though there are still many more miles to travel and much to overcome this three volume set considers the multifaceted influence of African Americans on popular culture and sheds new light on the ways in which African American culture has come to be a fundamental and lasting part of America itself To articulate the momentous impact African American popular culture has had upon the fabric of American society these three volumes provide analyses from academics and experts across the country They provide the most reliable accurate up to date and comprehensive treatment of key topics works and themes in African American popular culture for a new generation of readers The scope of the project is vast including popular historical movements like the Harlem Renaissance the legacy of African American comedy African Americans and the Olympics African Americans and rock n roll more contemporary articulations such as hip hop culture and black urban cinema and much more One goal of the project is to recuperate histories that have been perhaps forgotten or obscured to mainstream audiences and to demonstrate how African Americans are not only integral to American culture but how they have always been purveyors of popular culture

The Miami Times and the Fight for Equality Yanela G. McLeod, 2018-12-03 This book helps inject the Miami Times into the historical narrative of the Civil Rights Movement in Florida by highlighting its role in Rice v Arnold a 1949 lawsuit filed by black recreational golfers in Miami to oppose segregation on the city's public golf course Founded in 1923 by Bahamian born H E S Reeves who ran the newspaper with his son Garth C Reeves Sr the newspaper financially and editorially supported efforts to desegregate Miami schools beaches residential communities public transportation systems and sports complexes Its support of the Rice v Arnold legal challenge is but one example that demonstrates how the newspaper as a conduit of social change worked with other Miami community leaders to improve conditions for the city's black population

Journal of the House of Representatives of the United States United States. Congress. House, 2010 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House
