## **Court Circus Mess:**

**The Court Circus Mess** O. O. Kandison, 2000-04 THE COURT CIRCUS MESS is Ogbebor's first provocative novel set in the Biggest Little City In The World He created a known and memorable character Mr Squirrel who has ties with the Casino gurus of the City Thrillers about corrupt system cold eyed Little City cops and weird judges have become routine fare these days Therefore shaping his memorable character as Mr Squirrel a sharp shrewd ex Washoe County Judge who resigned from the bench to turn his life up to God for the injustice he feels had ruined innocent men and women of the underclass made the novel a classic readable

*A City of Bloodsuckers* O.O. Kandison, 2012-07-18 This novel is a work of fiction and the characters are all fictional that is they come out of my imagination But if they bear any resemblance to specific judges lawyers and cops it is not a matter of coincidence It is because I chose to use such names for them to get mad the same way I am mad about the injustice done to me by three judges for a crime I cried and swore I did not commit I was charged and found guilty even though I was the one who was assaulted and battered an assault and battery that has now partially left me deaf and above all has left me with only one testicle while the judges and the attorneys have played their games right I also created this fictional event of the court I have used names that came out of my imagination to represent all the players in this book and I put them in chapters where they are meant to serve my purpose the same way three notorious judges all served their purpose against me But I should make it clear though that the names of the noncourtroom players whom I have used here are products of my imagination or are used fictitiously Any resemblance to actual events or locales or persons living or dead is entirely coincidental Therefore the actions and motivations of these players are entirely my idea Again simply put there is no connection in the manner I brought them into the book If I have caused embarrassment to anyone other than some judges I have directed my anger to or the attorneys the security men of Circus Circus Hotel Casino and the cops in any manner I wish here and now to apologize openly and sincerely And bear in mind that without the humanities with the novelists playwrights poets and actors of our world let alone the comedians to express the First Amendment or mock those who wrong us or who rule the world we would not have movies or theaters Therefore all the movies we might think we have would be worth nothing Ogbebor K Ogbesia November 8 2001

**London** Jonathan Glancey, 2020-05-05 Bread and circuses free food and mass entertainment was the name contemporary social observers gave to the ancient Roman practice of keeping the common people happy and rebellion free Jonathan Glancey in this personal and passionate essay about the city he loves suggests that the same unformulated policy is the means by which modern London's citizens are kept as apolitical and passively pleasure loving as possible But shops restaurants and a few gorgeous buildings are he maintains a poor substitute for a creaking infrastructure and London's cachet as a boisterously creative but well run city will plummet if private vice is allowed to triumph over public virtue

**Efemona** O. O. Kandison, 2022-01-03 This book is about an African woman coming to America and soon becoming Americanized only to go back to Africa her own country of Nigeria and teach

by example what she'd learned in America. By teaching with examples she'd had all other African countries also in her heart. Then she quickly grasps the idea that in the turn of the twenty-first century of civilization all African countries should by now be striving and buoyant since they gain their independence from the Europeans. The leaders of Nigeria if they were not morons, dunces, pigs and imbeciles should be leading the way to take Nkrumah and Patrice Emery Lumumba's message to new heights to unite African countries.

A Messy Murder Simon Brett, 2024-09-03. Ellen Curtis, professional declutterer, amateur sleuth, and woman of a certain age investigates the puzzling death of a TV personality whose past his prime. Brett laces the plot with show biz details that fans of Brett's Charles Paris series will relish. This very special series grows more fascinating with each entry. Booklist Starred Review. Professional declutterer Ellen Curtis doesn't need to like her clients to help them sort their homes out. Aging TV personality and curmudgeon Humphrey Carter might have a chip on his shoulder the size of England about the decline of his career, but a job's a job. But when Ellen arrives the morning after Humphrey's eightieth birthday party primed and ready to tackle his study, no matter his protests she gets the shock of her life: Humphrey's dead, and all signs point to him having taken his own life. Did the egotistical chat show host really die by suicide? His wife is adamant he's been murdered, and the more Ellen looks the more dirt on Humphrey she digs up, and the more suspects she uncovers. Can she track down a killer if there even is one? And just as importantly, can she keep herself from killing not only her own infuriating mother but also her two grown-up children who all seem determined to destroy her peace of mind? This thoroughly engaging contemporary mystery is perfect for fans of Richard Osman, Janice Hallett, and M.C. Beaton.

*Had Gun, Did Travel* John Lepore, 2016-08-16. Had Gun, Did Travel. By John Lepore. John Lepore's law enforcement career was to end in 1983 after twenty-one years. In that time he received over twenty-five awards for Special Acts Outstanding Performance and Special Achievement. He additionally received two Presidential Citations. He loved working the street and had no use for the suits, those individuals who never worked the street or made any significant cases but somehow managed to move up the ladder. Read about some of the interesting assignments that he had and about some of the cases he supervised in *Had Gun, Did Travel*.

**Wolf Messing** Tatiana Lungin, 2018-01-01. In this the first biography and personal memoir of WOLF MESSING to appear in the West, Tatiana Lungin limns a revealing portrait of one of the greatest psychic performers of the twentieth century. Born a Polish Jew near Warsaw, Messing ran away from home at the age of eleven and soon discovered his psychic gifts. Supporting himself by performing mind-reading acts in Berlin theaters at fourteen, Messing was sold by his unscrupulous manager to the famous Busch Circus. In no time Wolf gained an international reputation as the world's greatest telepath, as he toured the capitals of Europe. In Vienna, Messing met Albert Einstein, who brought him to the apartment of another admirer of his abilities, Sigmund Freud. His touring days ended abruptly in 1937 when, after Messing publicly predicted the downfall of the Third Reich, the Nazis placed a sizable bounty on his head. Summoning all his hypnotic powers, he escaped capture by the Gestapo and fled to Russia. In the USSR, Messing's displays of telepathy uncannily accurate.

predictions and psychic crime solving gained him a rare celebrity status While most parapsychologists were forced to conduct psychic research in secrecy Messing thrilled audiences in packed theaters across the country His fame was all the more amazing coming as it did in the Marxist society dominated by Joseph Stalin the man who had officially abolished ESP Even Stalin himself was intrigued by Wolf s ability to influence thoughts at a distance and devised a number of unusual tests of Messing s powers The stories of how Messing successfully took on Stalin s challenges to hypnotically elude his personal security force and even commit psychic bank robbery are colorfully related As Messing s longtime friend and confidante Lungin draws from personal notes conversations with Wolf and reports of other eyewitnesses of his performances to chronicle Messing s incredible life and career At the same time she provides an inside look at parapsychology and psychic research behind the Iron Curtain

**My Storm, My Savior** Steve Moultrie,2023-02-14 Some lessons can only be learned in a storm Under the conviction of the Holy Spirit author Steve Moultrie shares in intimate detail the collapse of his family automobile dealership and the painful broken relationships that ensue He vividly details the depth of his pain so that readers can fully appreciate the sustaining nature of God s grace and hope available through a relationship with Jesus Christ All of us are either in the midst of a storm or very close to someone who is This book provides practical measures to survive a storm and grow

Incorporating the Familiar Susan G. Drummond,1997-09-30 Drummond explores a series of philosophic ethnographic and legal dilemmas produced by the interaction between legal cultures setting up a dialogue between narrative and theory by interspersing accounts of her field experiences in Inuit communities with analytical chapters In the first section she addresses problems of delivery of justice among Inuit communities and explores the cultural determinacy of understanding In the second section she focuses on the problem of family violence and the complexities to which it gives rise in rendering justice in Inuit communities In the third section she provides an ethnographic account of Nunavik s first sentencing circle underlining her contention that juridical rules emerge from the habits and forms of a society Exploring the quandaries of intercultural communication and contemplating how diverse legal sensibilities might be mutually recognized Incorporating the Familiar evokes the possibilities and limits of intercultural accommodation

Defending the Faith in a Messy World John Warwick Montgomery,2023-01-01 Much to the dismay of its critics defending the Christian faith does not rest on a complicated philosophical quest nor illogical assumptions The task of defending the Christian faith or Christian apologetics is for every Believer In this easy to read beginners guide to Christian apologetics scholar and apologist Dr John Warwick Montgomery lays the groundwork for why the case for Christianity is factually and historically compelling as well as how we should defend the faith The book s three sections will lead you through the importance of Christian apologetics issues the nonbeliever may raise and how to bring the centrality of the faith Christ on the cross before atheists skeptics and people from other worldviews For those who want a lighthearted yet thorough introduction to the how why and what of Christian apologetics this primer is a go to guide for those who hope to be ready always to give an answer for the faith that is
