

Covenant and Polity in Biblical Israel

Biblical Foundations and Jewish Expressions

Volume I

Daniel Elazar

Covenant Polity In Biblical Israel

Daniel Judah Elazar

Covenant Polity In Biblical Israel:

Covenant & Polity in Biblical Israel Daniel J. Elazar, In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture *Covenant & Polity in Biblical Israel* Daniel Judah Elazar,1995 Covenant was once the subject of many theological treatises However the author claims that covenants of the Bible are the founding covenants of Western civilization They have their beginnings in the need to establish clear and binding relationships between God and humans and among humans These relationships are primarily political in character in that they were designed to establish lines of authority distributions of power and systems of law In *Covenant and Polity in Biblical Israel* the first of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it *Covenant & Polity in Biblical Israel* Daniel J. Elazar,1998 Covenant was once the subject of many theological treatises However the author claims that covenants of the Bible are the founding covenants of Western civilization They have their beginnings in the need to establish clear and binding relationships between God and humans and among humans These relationships are primarily political in character in that they were designed to establish lines of authority distributions of power and systems of law In *Covenant and Polity in Biblical Israel* the first of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it **Covenant and Polity in Biblical Israel** Daniel Judah Elazar,1995 **Covenant and Polity in Biblical Israel** Daniel Elazar,2018-10-08 In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture **The Interpretation of the Hebrew Word אָמָר (People) in Samuel-Kings** Luke Emehiele Ijezie,2006 This study of the word people in the biblical context touches one of the central issues of biblical literature The author addresses the semantic and literary critical problems involved in interpreting the Hebrew word within the complex texts of 1 2 Samuel and 1 2 Kings While the word is often rendered by the English word people and its cognates in the modern languages it is also shown that the idea of people together with its semantic range in the modern usage is not identical to the ancient Hebrew Concerted effort is thus made to identify the basic factors and patterns that explain its meaning in various Hebrew contexts The study explains how expresses both Israel s identity as a secular polity as well as its identity as a religious entity The discussion is carried out in the light of a number of chosen texts and these are analyzed both synchronically and diachronically *Covenant and Constitutionalism* Daniel Elazar,2018-02-06 This volume traces the trends and the developing relationships of constitutionalism and covenant that ultimately led to the transformation of the

latter into the former Elazar explores the paths that emerged out of the constitutionalized covenantal tradition in Europe such as federalism communitarianism and the cooperative movement

Covenant and Polity in Biblical Israel, 2017 In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture Provided by publisher

Reconceptualising Conversion Zeba A. Crook, 2004 This study seeks to establish that ancient and modern people talk differently about conversion because they are very different people constructed differently by their cultures and are thus prone to experience life their interactions with each other and with their gods differently While we are certainly enriched by noting similarities between different cultures and people we can be equally enriched by understanding accepting and honouring the differences without trying to homogenise everything Intro p 11

The Federal Contract Stephen Tierney, 2022-05-26 Federalism is a very familiar form of government It characterises the first modern constitution that of the United States and has been deployed by constitution makers to manage large and internally diverse polities at various key stages in the history of the modern state Despite its pervasiveness in practice this book argues that federalism has been strangely neglected by constitutional theory It has tended either to be subsumed within one default account of modern constitutionalism or it has been treated as an exotic outlier a sui generis model of the state rather than a form of constitutional ordering for the state This neglect is both unsatisfactory in conceptual terms and problematic for constitutional practitioners obscuring as it does the core meaning purpose and applicability of federalism as a specific model of constitutionalism with which to organise territorially pluralised and demotically complex states In fact the federal contract represents a highly distinctive order of rule which in turn requires a particular territorialised approach to many of the fundamental concepts with which constitutionalists and political actors operate constituent power the nature of sovereignty subjecthood and citizenship the relationship between institutions and constitutional authority patterns of constitutional change and ultimately the legitimacy link between constitutionalism and democracy In rethinking the idea and practice of federalism this book adopts a root and branch recalibration of the federal contract It does so by analysing federalism through the conceptual categories that characterise the nature of modern constitutionalism foundations authority subjecthood purpose design and dynamics This approach seeks to explain and in so doing revitalise federalism as a discrete capacious and adaptable concept of rule that can be deployed imaginatively to facilitate the deep territorial variety that characterises so many states in the 21st century

Dictionary of Scripture and Ethics Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics

Covenant and Civil Society Daniel Judah Elazar, Part 4 of this important series considers issues of communal solidarity on a postmodern basis Elazar traces the transition from the

covenanted commonwealth of the Protestant Reformation to the civil society of the modern epoch and explores the covenant's role in the modern statist era and the development of modern democracy Elazar concludes with an examination of the present and future of covenantal thought *John Locke's Political Philosophy and the Hebrew Bible* Yechiel M. Leiter, 2018-06-28 John Locke whose ideas helped give birth to the United States predicated his political theory on the Hebrew Bible Why **Divine Covenants and Moral Order** David VanDrunen, 2014-05-14 This book addresses the old question of natural law in its contemporary context David VanDrunen draws on both his Reformed theological heritage and the broader Christian natural law tradition to develop a constructive theology of natural law through a thorough study of Scripture The biblical covenants organize VanDrunen's study Part 1 addresses the covenant of creation and the covenant with Noah exploring how these covenants provide a foundation for understanding God's governance of the whole world under the natural law Part 2 treats the redemptive covenants that God established with Abraham Israel and the New Testament church and explores the obligations of God's people to natural law within these covenant relationships In the concluding chapter of *Divine Covenants and Moral Order* VanDrunen reflects on the need for a solid theology of natural law and the importance of natural law for the Christian's life in the public square 07 02 *The Jewish Polity* Daniel Judah Elazar, Stuart Cohen, 1985 *Covenant Marriage in Comparative Perspective* John Witte (Jr.), Eliza Ellison, 2005-10-20 Covenant marriages requiring premarital counseling and tighter strictures on divorce have recently emerged in some American states At the same time the doctrine of covenant has reemerged in religious circles as a common way to map the spiritual dimensions of marriage *Covenant Marriage in Comparative Perspective* brings together eminent scholars from Jewish Orthodox Catholic Protestant and Islamic religious traditions as well as experts on American covenant marriage The introduction carries out an unprecedented comparison of contract and covenant in Jewish Christian and Muslim understandings of marriage The rest of the book elucidates various facets of marriage from the perspectives of both jurisprudence and religion producing an enlightening integrated picture of the legal and spiritual dimensions of marriage **Human Body Size and the Laws of Scaling** Thomas T. Samaras, Frank J. Williams, 2006 This book is an exploration not only of the lessons that Abraham Lincoln America's sixteenth president drew from the founders of the United States especially George Washington and Thomas Jefferson but also how others abroad have interpreted and incorporated his legacy Because Lincoln occupied the presidency during democracy's first great civil war he set a precedent for other leaders at home and abroad Liberal leaders tend to identify with his roles as the Great Emancipator and magnanimous Great Reconciler who eschewed ethnic cleansing in favour of restoring the Union as soon as possible after secession **A Revised Consent Model for the Transplantation of Face and Upper Limbs: Covenant Consent** James L. Benedict, 2017-04-25 This book supports the emerging field of vascularized composite allotransplantation VCA for face and upper limb transplants by providing a revised ethically appropriate consent model which takes into account what is actually required of facial and upper extremity transplant recipients In place of

consent as permission giving waiver or autonomous authorization the standard approaches this book imagines consent as an ongoing mutual commitment i e as covenant consent The covenant consent model highlights the need for a durable personal relationship between the patient subject and the care provider researcher Such a relationship is crucial given the recovery period of 5 years or more for VCA recipients The case for covenant consent is made by first examining the field of vascularized composite allotransplantation the history and present understandings of consent in health care and the history and use of the covenant concept from its origins through its applications to health care ethics today This book explains how standard approaches to consent are inadequate in light of the particular features of facial and upper limb transplantation In contrast use of the covenant concept creates a consent model that is more appropriate ethically for these very complex surgeries and long term recoveries

Ethical Public Leadership Stephen M. King, 2023-09-29 Dozens of books are published each year on leadership but as pundits scholars philosophers and public intellectuals note what is written is too often shallow and facile oriented toward quick fixes for performance enhancement or internal organizational and personnel development Drawing from a diverse range of literature including history philosophy public administration leadership religion and spirituality this book fills an important gap exploring what it means to be an ethical and moral leader It takes a deep dive into the many challenges of leadership examining the continuing contrast between bureaucracy and democracy the unique ethical and moral characteristics of nonprofit and faith based organizations and the globalization of organizations and institutions Throughout the book author Stephen M King develops a more holistic and interdisciplinary understanding of ethical and moral leadership required for more thoughtful theoretical and empirical research He points students of leadership to the time honored values of ethics and morality reestablishes the ethical balance between bureaucracy and democracy and helps reorient the values purpose of public nonprofit and global institutions providing hope of a better future for leadership Ethical Public Leadership is required reading for students of public administration and nonprofit management as well as for practicing public servants and nonprofit sector employees at all levels

Making Wise the Simple Johanna W. H. van Wijk-Bos, 2005-09-14 Too long restricted to children s storybooks and cinematic extravaganzas the Torah comprising the first five books of the Bible is an underappreciated mother lode of divine instruction vitally important for Christians and the church Convinced that both those who take the Torah too literally and those who neglect it are guilty of a naive simplicity Johanna van Wijk Bos presents guidelines to help ordinary Christians recover this treasure in their faith and practice Having lived in the Netherlands during the Nazi occupation van Wijk Bos recognizes that after the attempted annihilation of the Jews from Christian Europe it cannot be business as usual for Christianity In light of the Holocaust Christians must commit themselves to the restoration of just relations between Christians and Jews This commitment to address all that fractures human relations undergirds van Wijk Bos s call for Christians to reengage the Torah Making Wise the Simple points out how God s care for and engagement with the whole world in the Torah set the tone for the entire biblical story The book pays

special attention to how our treatment of strangers lies at the heart of the Torah's teaching. Without attempting a purely Jewish reading of the Torah, van Wijk Bos reclaims the Torah as a vibrant word for the Christian community in covenant with God. Written in a personal style conversant with current scholarship but sprinkled with anecdotes, this book is for everyone who has a hunger and enthusiasm for what the biblical text may convey, the courage to ask disturbing questions of the text, and an openness to old words that may bring forth new things, perhaps even making one wise.

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Covenant Polity In Biblical Israel** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation.
