Years ago sparks flew between them of the argument variety and she's kept her distance ever since. But this time the aisle is too short to avoid him and the spark feels suspiciously like attraction. Brant Gilroy likes his life neat, predictable and well structured, unlike Stevie who's basically a walking bundle of chaos. But with his career suddenly on shaky ground and his sister's dream wedding set for the family's tree farm, he can't say no to helping, even if it means teaming up with the one woman who drives him up a wall. As wedding decorations are hung and snowflakes fall, their clash of styles starts to look a lot like sizzling chemistry. But can two former enemies pull off a picture perfect wedding and maybe discover they're the perfect match?

**The Cowboy's E-Mail Order Bride** Cora Seton, 2016-05-12

Ethan Cruz should be mending fences on his Montana ranch, but instead he's driving to the Chance Creek Montana airport to pick up the bride he didn't know he had. This latest salvo in his ongoing practical joke battle with his best friend Rob Matheson has gone too far, and Ethan plans to send his bride right back home, then get busy plotting his revenge. One look at Autumn Leeds changes his mind, however. Perhaps he needs a bride after all. A breathtakingly beautiful city bride, Autumn Leeds needs a story fast or she's going to lose her lucrative contract with CityPretty Magazine, so when she sees the crazy video plea for a modern mail order bride for a cowboy, it sounds like the story of the century. Making a video of her own, she casts herself as the perfect mail order bride for a rancher, but when she finally reaches Montana, she's surprised to find Ethan's the perfect cowboy husband to be. Against her better judgment, her plan to keep her handsome groom at arm's length disintegrates into a night of passion spent in his arms. Ethan knows he can't keep playing this game; he has to come clean with Autumn and tell her the truth about the practical joke and about the state of his ranch. He's about to lose it all because of the debts his mother racked up before his parents' deaths. Now his sister Claire wants to sell the ranch and collect what little money they can. He'll be out of a home and a job and in no shape to support the bride he desperately wants to marry after all. Autumn's in bigger trouble than ever. Not only has she fallen in love with the subject of her expose, she might be carrying his child. If she doesn't write this article and secure her contract for another year, she'll lose everything: her career, her apartment, and more importantly, her family's approval. The only alternative is to stay and marry Ethan. But how can she trust a man she's just met when she knows too well that men always let you down?
