I thought that number one would always be me

The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. VII Marcus Garvey, 2023-09-01
The publication of Volume VII marks the completion of the American series of The Marcus Garvey and Universal Negro
Improvement Association Papers This final book in the seven volume set charts the magnetic controversial Pan African leader
s career from his deportation from the United States in November 1927 to his death in England in 1940 The volume begins
with Garvey s triumphant welcome in Jamaica his tour abroad and his entry into Jamaican party politics It traces his
reshaping of the organizational structure of the Universal Negro Improvement Association UNIA in the late 1920s and his
management of UNIA affairs from Kingston and London in the 1930s Though typically seen as a time of decline this final
period of Garvey s life appears in editorials drawn from his publications as a fruitful one in which some of his strongest
political writings were produced Surveillance reports filed by Jamaican police and British colonial officials provide a rich
account of Garvey s speeches and activities Although he was banned from the United States and restricted from traveling or
speaking in many areas under colonial supervision Garvey nevertheless traveled widely after his deportation visiting and
influencing affairs in Geneva Paris and London and making organizational tours of Canada and the Caribbean He chaired
UNIA conferences in Toronto and inaugurated the School of African Philosophy a series of lectures designed to train UNIA
leaders In the mid 1930s he moved the headquarters of the UNIA to London In the final months of his life correspondence
between Garvey in England and his young sons in Jamaica shows the personal side of the public leader The tragedy of Garvey
s personal demise is framed by the cataclysmic events of Europe entering a world war and by the decline of the movement he
had worked so diligently to build The long financial hardships of the previous decade and the loss of Garvey s presence had
winnowed the membership of the UNIA Garvey suffered a disabling stroke in January 1940 He died in London the following
June as Italy invaded France and Germany prepared to occupy Paris Volume VII ends with the reconstitution of the UNIA in
the months immediately after Garvey s death and the establishment of a new headquarters with new leadership in Cleveland
