Countrywomans Journal:

A Countrywoman's Journal Margaret Shaw, 2005-04-01 Hidden in a drawer for over seventy years Margaret Shaw's perfectly preserved sketchbook diaries of 1926 to 1928 record in watercolour and prose the flora and fauna of an almost vanished world. In Shaw's charmed countryside the eaves swarm with House Martins, elm trees still grow tall and hedgerows are everywhere full of quarrelsome noisy wrens. *Daybooks of Discovery* Mary Ellen Bellanca, 2007 Rooted in a thriving culture of amateur natural history the keeping of nature journals and diaries flourished in late eighteenth and early nineteenth century Britain. As prescientific worldviews ceded to a more materialist outlook informed by an explosion of factual knowledge lovers of nature both famous and obscure began to use daily composition as a quest for information about and a celebration of their surroundings. A central site of encounter discovery and expression nature diaries took part in a vigorous cultural dialogue performing in an era called the golden age of nature writing an engaging alchemy of language science and art. In *Daybooks of Discovery: Nature Diaries in Britain 1770-1870* Mary Ellen Bellanca offers the first critical study of this genre. In looking at the diaries of Gilbert White Dorothy Wordsworth Emily Shore George Eliot and Gerard Manley Hopkins as well as those of lesser known figures she explores the writers' pursuit of empirical knowledge of nature for its own sake rather than focusing on Romantic nature philosophy or on ecology as a metaphor for spiritual connectedness. Each chapter situates an individual author's journals amid contemporary discourses of natural history examining how journal writing enabled and mediated the diarist's practice as naturalist. A mélange of fact narrative and imaginative recreation the nature diary played a crucial role in literature and science in a period of burgeoning knowledge about the natural world. For students and scholars of environmental history the history of science ecocriticism and Victorian studies *Daybooks of Discovery* will prove an essential tool for understanding this distinct genre. *Patients and Practitioners* Roy Porter, 1985 The essays in this volume provide an unusual historical perspective on the experience of illness they try to reconstruct what being ill from a minor ailment to fatal sickness was like in pre-industrial society from the point of view of the sufferers themselves. The authors examine the meanings that were attached to sickness popular medical beliefs and practices the diffusion of popular medical knowledge and the relations between patients and their doctors both professional and fringe seen from the patients' point of view. This is an important work for illness and death dominated life in earlier societies to an enormous degree. Yet almost no studies of this kind have ever been carried out before practically all previous treatments having been written from the traditional point of view of the doctor the hospital or medical science. It will accordingly interest a wide range of readers interested in social history as well as the history of medicine itself. *Biographical Dictionary of Scottish Women* Elizabeth L. Ewan, Sue Innes, Sian Reynolds, Rose Pipes, 2007-06-27 This single volume dictionary presents the lives of individual Scottish women from earliest times to the present. Drawing on newscholarship and a wide network of professional and amateur historians it throws light on the experience of women from every class and category in Scotland and

among the worldwide Scottish diaspora The Biographical Dictionary of Scottish Women is written for the general reading public and for students of Scottish history and society It is scholarly in its approach to evidence and engaging in the manner of its presentation Each entry makes sense of its subject in narrative terms telling a story rather than simply offering information The book is as enjoyable to read as it is easy and valuable to consult It is a unique and important contribution to the history of women and Scotland The publisher acknowledges support from the Scottish Arts Council and the Scottish Executive Equalities Unit towards the publication of this title **Books Magazine** ,1998 Journal of the Society for Psychical Research Society for Psychical Research (Great Britain),1884 Library Journal ,1967 **The Countrywoman** ,1999
