comfortable life but a devastating accident changed everything Then with her architect husband she went on to create the
gardens at their home that became a mandatory stop on every garden tour in the 1980s and 1990s At sixty two she wrote her
first book followed by seventeen more in twenty years By force of character hard work and determination she tirelessly
promoted herself and her garden lessons traveling worldwide to lecture sell books and spread her message She was a natural

their quest for a native vernacular She also re introduced the English to their own gardening traditions Drawing from garden
