**Matthew 25 Christianity** Donald Heinz,2022-09-23 A new movement in American Christianity calls itself Matthew 25 Christians It follows a long train of new religious movements founded in a rediscovered biblical text that migrates to a new context and sets the church on a new course Good news to the poor is Matthew's story grounded in the entire biblical witness In Jesus's famous last judgment story all the world is questioned whether they saw Christ the king enthroned by way of the cross in the least of these the poor the homeless the hungry the sick the imprisoned Are the corporal works of mercy Jesus requires to become new marks of the church in our times Is Matthew 25 the new John 3 16 a new sign to be held up to

the world at football games Following this new social gospel comes another question Will the American church succeed in taking this public as a new errand into the wilderness Could the nonconforming resistance movement that is Christianity find a new voice in the public square collaborate with the academy and politicians and turn Matthew s call for social justice into a new deal for social democracy A Bonhoeffer moment in perilous times for the poor calls for no less *Courageous Christianity* Bob Moorehead,1990-07-01

**The Sovereign God and the Christian Disciple** Robert M Solomon, The sovereignty of God is a doctrine that has been debated by Christians for centuries For some this remains a passionate topic creating different camps among Christians endlessly arguing about whether God s sovereignty and human free will can co exist For the majority the doctrine is a vague concept that remains to be explored This book deals with these issues by examining what the Bible says about God s sovereignty and human responsibility It explores the sovereignty of God by looking at God as the Creator Saviour Shepherd and Judge and tackles questions that commonly emerge If we believe that God is truly sovereign then we must live out the implications by living faithfully and responsibly by trusting and obeying Him amid the challenges of life praying to Him sharing about Him with others and serving and hoping in Him Our relationship with Him is an important way to understand how His grace purpose and power invite us to respond responsibly to Him in active discipleship

**Our Hearts Were Strangely Lukewarm** John Elford,2023-05-26 Our Hearts Were Strangely Lukewarm summons the reader on a most unusual journey through Methodist history Along the way we discover how the White American Methodist Church became deeply entangled with White supremacy From the founding of the church in the late eighteenth century to the present we have too often been silent bystanders or active accomplices in the enormous harm caused by racism It s a complicated and shameful story few Methodists know And yet if we want to transform the world toward a different and better future for all one free of the stranglehold of racism we must come to terms with the story of our past the whole story Our Hearts Were Strangely Lukewarm is a trustworthy guide into the church s troubled history It s also a present day call to action that finds inspiration in those Methodists who stood against the tide and those guiding the church today toward the horizon of racial justice
