Secrets of Western Sex Magic U. D. Frater,U. D. (Frater),2001 HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires During the sex act your attention becomes focused into a laser beam of concentration This power of concentrated thought is the foundation of all magical systems Sex Magic s secret is that it s a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals Male and female energies are often entirely different and it would be folly to deny this but experience shows that female magicians can be particularly successful in using and developing Sex Magic Consequently this book is aimed at both male and female readers unlike more traditional teachings written for men Of all secret lore Sex Magic has been reputed through the centuries to be the most dangerous Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions If

we learn one thing from the shamanic cultures it is the strong emphasis upon the role of the body in magic Mind and Body are two facets of the One Thing in which Will Imagination and Gnostic Trance are the three pillars of success Contrary to the principles of Eastern Tantra Western Sex Magic emphasizes the importance of actual orgasm both male and female Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible freeing up possible paranormal powers Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness as most people do at the moment of ecstasy Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore It is a complete system of Sex Magic in theory and practice with exercises to develop related abilities for visualization concentration breath control psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation their use in Sigil Magic and the charging of Amulets Talismans Group Ritual and the assumption of god forms when working as a priestly couple and the divine Chymical Marriage of ultimate union This book is also an introduction to the entire field of practical magic using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques

Sleeping to Dream and Dreaming to Wake Up! Vijay Srinath Kanchi,2022-11-08 Dreams play a significant role in our life meaningfully affecting us in the development of our personality and our spiritual journey They are an everyday experience for any human being Dreams have always been of great interest to poets and philosophers alike since ancient times and examples are aplenty in Indian and Western scriptures However it is an uphill task for an ordinary person to fully appreciate the intricacies and significance of dreams in the day to day life It is here that this book proves as an invaluable guide providing deep understanding on the nature of dream and sleep This book is a repertoire of human wisdom gathered for centuries and attested by the modern science offering enormous insights into our dream and deep sleep states It asks from a common man s point of view many a question that perturb us and provides answers to them from the scientific

and spiritual perspectives in a captivating way Some such questions include Do we see dreams in black and white or in colour What does a visually challenged person see in his dreams Why are some of our dreams extraordinarily vivid with electric colours the clarity and brilliance of which we may never encounter in our ordinary waking lives Why are we non reflective irrational in our dreams Are the dream time and waking time equal How does our memory work in dream state Why do we forget our dreams and is it possible to improve dream recall and cultivate awareness in dreams Why do we fail to distinguish a dream object from the physical world object while we are dreaming If the dream experience exactly feels like the real world and we fail to distinguish it from the waking world while we are dreaming how can we be certain that we are not dreaming now How does a dream contain various persons exhibiting opposite emotions at the same time when all the dream characters including the witnessing dreamer are produced out of single mind of the dreaming person Can we intentionally transform the dream scenarios If so what would be the philosophical implications of it Can dreams and sleeps be utilized for spiritual elevation and many more questions we always wondered about the daily eight hours of our bed time but never got the right answers to We find new meanings and ways in dealing with our dreams in this volume therefore it is a must read for every dream enthusiast as well as any serious spiritual seeker
