The Courthouses of Texas Mavis P. Kelsey, Donald H. Dyal, 2007-03-20 A county courthouse stands not only as the center of government but also as the center of civic pride Some with stately towers and arched doors or windows some with high brick chimneys and mansard roofs some in modern concrete and glass the 254 courthouses of Texas provide an invitation to public life a testament to the ideal of justice and an introduction to period architecture It is no wonder then that many tourists each year visit these edifices This new edition of a classic indispensable full color guide a true collector s item for Texas history fans will help travelers choose which courthouses they want to add to their trips and view them knowledgeably For each county a color photograph pictures the courthouse and an account sketches the sequence of the seats of government the location and style of the current building and tidbits of fascinating lore about county and county seat names and history Courthouses and the squares around many of them offer a bonanza for history buffs antique collectors genealogists architecture enthusiasts and photographers Many of them house or are near local history museums and many display historical markers that introduce the area to visitors Especially in many smaller county seats the courthouse square offers a genre scene of a special moment in Texas life Included in this updated edition are the latest views of some of Texas most historic and architecturally significant courthouses including those restored under the Texas Historical Commission s Historic Courthouse Preservation Program For all those who plan their travels to see courthouses and all those who in their travels for other reasons enjoy detours into the heritage and pride of a people this beautiful and informative book opens the way      **Foundations of Justice** David Mittelstadt, 2005 Based on original research this exhaustive volume provides a rich background to Albertas historic courthouses Covering in detail all of Albertas historic courthouses built between 1874 and

1950 this book considers many facets of these unique and significant structures      **The Courthouses of Central Texas** Brantley Hightower, 2015-04-15 The county courthouse has long held a central place on the Texas landscape literally as the center of the town in which it is located and figuratively as the symbol of governmental authority As a county's most important public building the courthouse makes an architectural statement about a community's prosperity and aspirations or the lack of them Thus a study of county courthouses tells a compelling story about how society's relationships with public buildings and government have radically changed over the course of time as well as how architectural tastes have evolved through the decades A first of its kind *The Courthouses of Central Texas* offers an in depth comparative architectural survey of fifty county courthouses which serve as a representative sample of larger trends at play throughout the rest of the state Each courthouse is represented by a description with information about date of construction and architects along with a historical photograph a site plan of its orientation and courthouse square and two and sometimes three dimensional drawings of its facade with modifications over time Side by side drawings and plans also facilitate comparisons between courthouses These consistently scaled and formatted architectural drawings which Brantley Hightower spent years creating allow for direct comparisons in ways never before possible He also explains the courthouses formal development by placing them in their historical and social context which illuminates the power and importance of these structures in the history of Texas as well as their enduring relevance today      **Housing and Planning References**, 1978      House documents, 1883      **The Sandstone Architecture of the Lake Superior Region** Kathryn Bishop Eckert, 2000 Eckert stresses the importance of the building materials as she explores the architectural history of a region whose builders wanted to reflect the local landscape      *Documents of the Senate of the State of New York* New York (State). Seagram and Sons, Inc, 1978\*      *Virginia's Historic Courthouses* Margaret T. Peters, 1995 They examine historic structures ranging from the Essex County courthouse 1729 and the King William County courthouse built ca 1725 and one of the oldest public buildings in continuous use in the nation to the newer historic courthouses such as Richmond's massive Supreme Court State Library Building dedicated in 1941      Women who Give Away Millions Iris Nowell, 1996-10-22 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts Iris Nowell is the author of five books Writing her 1996 book *Women Who Give Away Millions* has given her a solid foundation of philanthropy the not for profit sector and the wealthy She has also written a memoir of Canadian artist Harold Town and a biography of artist filmmaker and impassioned feminist Joyce Wieland      The Many Tongues of Literacy Ray B. Browne, 1992-06 Statistics indicate that more than half the population of America is illiterate or subliteracy in the conventional sense but very literate in other media such as television sports and leisure time activities But statistics can lie or tell only half a fact Since the languages of literacy are constantly expanding and developing it is time that American

educators and the public in general reexamine their definitions of literacy and the media in which we need to be literate Therefore educators must redefine literacy if they are to be realistic about its sources uses and values The need is vital to a developing world     American Studies Jack Salzman,American Studies Association,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00     The JAG Journal ,1978     **The Michigan Courthouse Study** Jonathan King,1981
