Court Lady Country Wife:

Court Lady and Country Wife Lita-Rose Betcherman, 2005 Court Lady and Country Wife is a fascinating and substantial read rich with historical and political detail complex and sharply drawn characters and more plot twists and turns than could be contained in a novel Diane Schoemperlen author of our lady of the lost and found The Politics of Female Households: Ladies-in-waiting across Early Modern Europe ,2013-10-24 The Politics of Female Households is the first collection that seeks to integrate ladies in waiting into the master narrative of early modern court studies Presenting evidence and analysis of the multifarious ways in which women above stairs shaped the European courts of the sixteenth and seventeenth centuries it argues for a re assessment of their political influence. The cultural agency of ladies in waiting is viewed in the reflection of portraiture pamphlets and masques their political dealings and patronage are revealed through analysis of letters family networks career patterns gift exchange and household structures as well as their activities in the fields of intelligence gathering and espionage By concentrating on a previously neglected area of female agency this collection demonstrates clearly that the political climate of Europe was often shaped outside the male dominated institutions of government and administration Contributors include Helen Graham Matheson Hannah Leah Crumm Katrin Keller Vanessa de Cruz Birgit Houben Dries Raeymaekers Janet Ravenscroft Una McIlvenna Rosalind K Marshall Oliver Mallick Cynthia Fry Nadine Akkerman Sara I Wolfson Fabian Persson and Jeroen Duindam **Early Modern Women and Transnational Communities of Letters** Julie D. Campbell, Anne R. Larsen, 2016-12-05 An important contribution to growing scholarship on women's participation in literary cultures this essay collection concentrates on cross national communities of letters to offer a comparative and international approach to early modern women's writing The essays gathered here focus on multiple literatures from several countries ranging from Italy and France to the Low Countries and England Individual essays investigate women in diverse social classes and life stages ranging from siblings and mothers to nuns to celebrated writers the collection overall is invested in crossing geographic linguistic political and religious borders and exploring familial political and religious communities Taken together these essays offer fresh ways of reading early modern women s writing that consider such issues as the changing cultural geographies of the early modern world women's bilingualism and multilingualism and women s sense of identity mediated by local regional national and transnational affiliations and conflicts

Mary Sidney, Lady Wroth Professor Margaret P Hannay,2013-04-28 Despite her fascinating life and her importance as a writer until now Lady Mary Wroth has never been the subject of a full length biography Margaret Hannay s reliance on primary sources results in some corrections as well as additions to our knowledge of Wroth's life including Hannay's discovery of the career of her son William the marriages of her daughter Katherine her grandchildren her last years the date of her death and the subsequent history of her manuscripts This biography situates Lady Mary Wroth in her family and court context emphasizing the growth of the writer's mind in the sections on her childhood and youth with particular attention to

her learned aunt Mary Sidney Herbert Countess of Pembroke as literary mentor and to her Continental connections notably Louise de Coligny Princess of Orange and her stepson Prince Maurice Subsequent chapters of the biography treat her experience at the court of Queen Anne her relationships with parents and siblings her love for her cousin William Herbert her marriage to Robert Wroth the birth and early death of her only legitimate child her finances and properties her natural children her grandchildren and her last years in the midst of England's civil wars Throughout the biography attention is paid to the complex connections between Wroth's life and work The narrative is enhanced with a chronology family trees for the Sidneys and Wroths a map of Essex showing where Wroth lived a chart of family alliances portraits and illustrations from her The Comedy of the Eighteenth Century, Lady Mary Wortley Montagu and the Eighteenth-Century manuscripts Familiar Letter Cynthia J. Lowenthal, 2010-07-01 This is is the first critical study of one of the most important women writers of the early eighteenth century Lady Mary Wortley Montagu 1689 1762 who produced a body of erudite and entertaining correspondence that spanned more than fifty years Lady Mary's letters illuminate the difficulties encountered by a sensitive intelligent and gifted woman writer living through an era of significant cultural change These letters display the tensions inherent in the competing demands of public and private life revealing Lady Mary's own discomfort about the problems of authorship and authority in an age that held publication to be an improper activity for respectable women Through the discourse of supposedly private letters Lady Mary was able to find an avenue for her talents that brought her public stature without violating the imperatives of her position as a woman and an aristocrat Cynthia Lowenthal argues persuasively that Lady Mary's letters themselves central to the establishment of the familiar letter as an important eighteenthcentury genre were self consciously constructed as literary artifacts and crafted as part of a larger female epistolary tradition Moreover Lowenthal contends the works of Lady Mary are essential to the feminist recuperation of women's writing precisely because she provided an aristocratic critique a voice often ignored of the class and gender codes of her day Women's Agency in Early Modern Britain and the American Colonies Rosemary O'Day, 2014-06-11 Women in early modern Britain and colonial America were not the weak husband and father dominated characters of popular myth Quite the reverse strong women were the norm They exercised considerable influence as important agents in the social economic religious and cultural life of their societies This book shows how women on both sides of the Atlantic while accepting a patriarchal system with all its advantages and disadvantages contrived to carve out for themselves meaningful lives Unusually it concentrates not only on the making and meaning of marriage but also upon the partnership between men and women It also looks at the varied roles cultural religious and educational that women played both inside and outside marriage during the key period 1500 1760 Women emerge as partners patrons matchmakers investors and network builders Cassandra Brydges, Duchess of Chandos, 1670-1735 Cassandra Willoughby Brydges Duchess of Chandos, 2007 Cassandra Brydges n e Willoughby 1670 1735 was a remarkable woman through her marriage at the age of 43 to the immensely wealthy and influential James

Brydges later the first duke of Chandos she was connected to many of the most important members of society at the time Unusually for the period much of her writing survives including an extensive collection of correspondence and it is therefore possible to gain a richer picture of her life This book presents all the known extant letters of the duchess They reveal a woman engaged in a very wide range of activities from managing family and the family fortunes investing on the stock market socialising with a wide range of important and influential people to matchmaking expressing views on social conduct painting and researching family history They are accompanied by an introduction providing an overview of her life and full notes Professor ROSEMARY O DAY teaches in the Department of History at the Open University , *The History of Don Quixote* Miguel de Cervantes, 2023-03-29 Reproduction of the original
