Jankowiak,2023-03-28 Angel Park is a Mormon fundamentalist polygamous community where plural marriages between one man and multiple women are common In contrast to mainstream America s idealization of the nuclear family and romantic love its residents esteem notions of harmonious familial love a spiritual bond that unites all family members In their view polygyny is not only righteous and sanctified it is also conducive to communal life and social stability Based on many years of in depth ethnographic research in Angel Park this book explores daily life in a polygamous community William R Jankowiak considers the plural family from the points of view of husbands wives and children giving a balanced account of its complications and conflicts He finds that people in polygynous marriages especially cowives experience an ongoing struggle to balance the longing for romantic intimacy with the obligation to support the larger family They feel tension between deeply held religious convictions and the desire for emotional exclusivity which can threaten the stability and harmony of the polygamous family Men and women often form exclusive romantic pairs within plural marriages which are tolerated if not openly acknowledged showing the limits of the community s beliefs Jankowiak also challenges stereotypes of polygamous families as bastions of patriarchal power showing the weight that interpersonal and social expectations place on men Offering an unparalleled look at the complexity of a polygamous religious community Illicit Monogamy also helps us reconsider relationships love and family dynamics across cultures and settings Angel of Music D. M. Bernadette,2002-08-28 French author Gaston Leroux unknowingly created a timeless and powerful character in his Erik the Phantom of the Opera Movies books and musicals have retold the original tale

enhancing it with a sparse tease of detail that we may glimpse the tortured life of Erik As outstanding as these renditions prove to be there seems to be so many unanswered questions The Angel of Music is an account of the very private adventures of Erik in his quest to love and be loved As brilliant and gifted as he is he cannot convey his feelings to Christine properly Frustrated to the point of violence his fantasy of a beautiful life with her is shattered and he despairs into his last breath The nightingale that rescues him and loves him back to life is rewarded with a romantic adventure of epic proportions Herein lies the testament of the Angel of Music and his beloved Christine An Angel's View Reginald E. Hicks,2012-10 Throughout the ages and stages of American history grandmothers have been the guardians of the generations the dispensers of wisdom the instillers of pride and dignity the conveyors of important religious values the financial and emotional supporters of the family during times of need and the promoters of cultural standards and traditions From Maya Angelou to Martin Luther King Jr to Oprah Winfrey the success of many African Americans can be traced back to the love and support of a grandmother Author Reginald E Hicks is no exception For Hicks An Angel s View began as a labor of love to chronicle the life of his own beloved grandmother from her birth on the family farm in rural New Kent County Virginia in 1923 through her personal social and political trials and tribulations to her quickly approaching eighty ninth birthday However his humble commemoration eventually blossomed into an emotional story of love betrayal triumph and tragedy embedded in a riveting and dynamic Southern history Through this exceptional work Hicks makes a unique and valuable contribution to his family and to the world of black literature **Courting Laura Providencia** Jack Pulaski,2001 Courting Laura Providencia is a storyteller s dream of this American life *The Knickerbacker* ,1851 *Courting Change* Kimberly D. in ANGEL S PROMISE The Angel's Desire Holley Trent,2020-11-27 Gulielmus wanted cake not a quest but when everyone s favorite elf queen doesn t arrive at a party he jumps at the opportunity to go fetch her Small talk is so tedious and social relationships are such a pain to maintain Of course Clarissa Morton can t just go missing she has to vanish into a post apocalyptic realm where the husband she left for dead a thousand years ago still reigns It seems the curse she weaved way back then has come back to torment her just like her ex Clarissa would never escape alive a second time if the king had his way Now Gulielmus is trapped with her in a dimension where fallen angels have no power and elves have magic he can t understand Working cooperatively with the secretive woman to escape the place is an impossible task and jarringly the magic of the realm makes the true nature of their connection clearer Returning immediately to the human world is their utmost priority but maybe the forced proximity isn t the worst possible thing for the long quarreling duo Perhaps they can finally put the past behind them and accept that they weren t meant to journey alone Magic doesn t make sense so why should love
