Pirates Linda Lael Miller, 1996-04-01 Bestselling author Linda Lael Miller sweeps readers away and through time itself when a thoroughly modern woman encounters a dangerous dashing eighteenth-century buccaneer. The result is a sensuous, joyous, utterly heartwarming tale of love. Phoebe Turlow needs to get out of Seattle and forget about the man she just divorced; her dwindling finances and the lonely nights that stretch ahead of her. But she can't foresee what awaits her on Paradise Island. Duncan Rourke is known to historians as the pirate patriot. He's been dead for two centuries or at least he's supposed to be until Phoebe Turlow steps out of a van into a run-down island hotel and into his world. Neither Phoebe nor her sexy pirate can envision the glorious adventure that is about to unfold. They understand only that they have found each other and a grand passion across the chasm of time and they fear only the moment when the magic they have discovered may vanish. Passionate, emotional, and completely entrancing, *Pirates* will steal your heart.
