Cousin Brucie Cousin Marrow,2019 *Cousin Brucie!* Cousin Bruce Morrow,Laura Baudo,1987 Disc jockey and rock roll in radio **Cousin Brucie!** Brucie Cousin,1987-10-01 Cousin Brucie is the most popular deejay in the history of pop radio At the highest rated radio station in America WABC in New York he commanded nearly one quarter of the region s audience Cousin Brucie sparkles with his fast talking charismatic style 50 black and white photographs *Encyclopedia of Radio 3-Volume Set* Christopher H. Sterling,2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **Doo Wop** Bruce Morrow,Rich Maloof,2007 With abundant background and enticing images this work covers more than just the gorgeous harmonies of the unforgettable doo wop groups The landmark volume traces the development of the music politics art architecture and popular culture of the 1950s

Rock N Roll Gold Rush Maury Dean,2003 An appreciation of Rock n Roll song by song from its roots and its inspiations to its divergent recent trends A work of rough genius DeanOCO's attempt to make connections though time and across genres is laudable *Rebels on the Air* Jesse Walker,2004-06-01 Explores the alternative radio that refuses to succumb to the big business that monopolizes the airwaves Boring DJs who never shut up and who don t even pick their own records The same hits over and over A constant stream of annoying commercials How did radio get so dull Not by accident contends journalist and historian Jesse Walker For decades government and big business have colluded to monopolize the airwaves stamping out competition reducing variety and silencing dissident voices And yet in the face of such pressure an alternative radio tradition has tenaciously survived *Rebels on the Air* explores these overlooked chapters in American radio revealing the legal barriers established broadcasters have erected to ensure their dominance Using lively anecdotes drawn from firsthand interviews Walker chronicles the story of the unsung heroes of American radio who despite those barriers carved out spaces for themselves in the spectrum sometimes legally and sometimes not Walker s engaging meticulous account is the first comprehensive history of alternative radio in the United States From the unlicensed amateurs who invented broadcasting to the community radio movement of the 1960s and 1970s from the early days of FM to today s micro radio movement Walker lays bare the hidden history of broadcasting Above all *Rebels on the Air* is the story of the pirate broadcasters who shook up radio in the 1990sand of the new sorts of radio we can expect in the next century as the microbroadcasters crossbreed with the even newer field of Internet broadcasting **Blues, Funk, Rhythm and Blues, Soul, Hip Hop, and Rap** Eddie S. Meadows,2010-06-10 Despite the influence of African American music and study as a

worldwide phenomenon no comprehensive and fully annotated reference tool currently exists that covers the wide range of genres This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture

Last Night a DJ Saved My Life Bill

Brewster, Frank Broughton, 2022-07-07 FOREWORD BY JAMES MURPHY Literally changed the course of my life James Murphy When someone says You have to know your history this is it A pop culture classic for over two decades now fully refreshed and updated as part of White Rabbit s Deep Cuts series Last Night a DJ is the whole unruly story of dance music in one volume It recreates the dancefloors that made history conjuring their atmosphere with loving detail and bringing you the voices of the DJs and clubbers at their heart from grime garage house hip hop and disco to techno soul reggae rock n roll and EDM Whether musical outlaw obsessive crate digger or overpaid superstar the DJ has been at the spinning centre of nightlife for a century making parties wilder pushing clubbers harder and driving music into completely new shapes and styles The chapter on Larry Levan alone transformed me into wanting to be your favoUrite DJ Questlove We can t tell the story of dance music without speaking the names of Sharon White and Judy Weinstein so I welcome this vital update The Blessed Madonna

Something in the Air Marc Fisher, 2007 Along with rock and roll music came the attitude that would change the voice of radio forever via the likes of raconteur Jean Shepherd who captivated his loyal following of Night People the inimitable Bob Fass whose groundbreaking Radio Unnameable inaugurated the anything goes free form style that would define the alternative frontier of FM and a small time Top 40 deejay who would ultimately find national fame as a political talk show host named Rush Limbaugh

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the

city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis *My Life With the Stars* Maximilian S.

Falkowski,2023-06-13 The marvelous microbes that made life on Earth possible and support our very existence For almost four billion years microbes had the primordial oceans all to themselves The stewards of Earth these organisms transformed the chemistry of our planet to make it habitable for plants animals and us Life s Engines takes readers deep into the microscopic world to explore how these marvelous creatures made life on Earth possible and how human life today would cease to exist without them Paul Falkowski looks under the hood of microbes to find the engines of life the actual working parts that do the biochemical heavy lifting for every living organism on Earth With insight and humor he explains how these miniature engines are built and how they have been appropriated by and assembled like Lego sets within every creature that walks swims or flies Falkowski shows how evolution works to maintain this core machinery of life and how we and other animals are veritable conglomerations of microbes A vibrantly entertaining book about the microbes that support our very existence Life s Engines will inspire wonder about these elegantly complex nanomachines that have driven life since its origin It also issues a timely warning about the dangers of tinkering with that machinery to make it more efficient at meeting the ever growing demands of humans in the coming century A Misfit's Manifesto Donna Gaines,2007 Gaines is a self described bourbon guzzling pill popping penis addicted workaholic tattooed Jew with a Ph D and a pistol permit A Misfit s Manifesto is about living with the contradictions This is how she did it and found God in all the unlikely places like Ramones songs Punk Rock Blitzkrieg Marky Ramone,Richard Herschlag,2016-01-05 The inside story behind one of the most

revered bands in music history during the early days of punk rock in New York from legendary drummer Marky Ramone. Rolling Stone ranked the Ramones at 26 on its list of the 100 Greatest Artists of All Time. They received a Grammy Lifetime Achievement Award in 2011 and were inducted into the Rock and Roll Hall of Fame in 2002. And Marky Ramone played a major part in this success; his blitzkrieg style of drumming drove the sound the Ramones pioneered. Now fans can get the inside story. Before he joined the Ramones, Marc Bell was already a name in the New York music scene. But when he joined three other tough misfits, he became Marky Ramone, and the rhythm that came to epitomize punk was born. Having outlived his bandmates, Marky is the only person who can share the secrets and stories of the Ramones' improbable rise from obtuse beginnings to induction into the Rock and Roll Hall of Fame. But it wasn't all good times and hit songs, and Marky doesn't shy away from discussing his own struggles, including the addiction to alcohol that led him to be temporarily kicked out of the band. From the cult film *Rock n Roll High School* through *I Wanna Be Sedated* through his own struggle with alcoholism, Marky Ramone sets the record straight, painting an unflinching picture of the dysfunction behind the band that changed a generation. With exclusive behind-the-scenes photos, *Punk Rock Blitzkrieg* is both a cultural history of punk and a stirring story that millions of fans have been waiting for.
