Collier, 2023-01-03 Outnumbered 20 to 1 story is a force that transcends ages Through the development of humankind s culture the holy vessel of story has exerted a power that defines generations A good story has the ability to entertain a great story has the ability to inspire But a story like Outnumbered 20 to 1 possesses the ability to transform and so much more Now retired Colonel Bill Collier fought firsthand through the devastation and brutality of the Vietnam war And like many of his fellow soldiers that returned home he kept many of the stories of his experiences to himself However there is one story that Collier knew must be shared in his lifetime This is the story of his harrowing experience at The Battle of Mo Duc one of Vietnam s final battles leading up to the signing of a peace agreement that would conclude the war The Battle of Mo Duc follows then Major Bill Collier and his team into a hopelessly unwinnable situation with all of the odds stacked against them Yet even as they stared down their seemingly certain defeat Collier and his men persevered to victory through what can only be described as the grace of God Himself Outnumbered 20 to 1 is a one of a kind war story and so much more It s a recounting of a remarkable life experience that occurs even less frequently than once in a lifetime Collier s story is not only a story of perseverance and heroism but of our communion with the divine fabric of existence itself *Grunt Slang in Vietnam* Gordon L. Rottman, 2020-02-04 A look at how combat culture and military tradition influenced soldiers language in Vietnam from the award winning USA Today bestselling author The slang or unique vocabulary of the soldiers and marines serving in Vietnam was a mishmash of words and phrases whose origins reached back to the Korean War World War II and even earlier Additionally it was influenced by the United States rapidly changing protest culture ideological and poetical doctrine ethical and cultural conflicts racialism and drug culture This slang was rendered even more complex by the Pidgin Vietnamese English spoken by Americans and Vietnamese alike But perhaps most importantly it reflected the soldiers actual daily lives played out in the jungles swamps and hills of Vietnam *The Old Man's Trail* Tom Campbell, 1995 The journey of a 60 man NVA supply convoy on one of the Ho Chi Minh trails during the Vietnam War It is told through the eyes of its battle hardened commander who acts as father to
