Covenant Of Love Pastoral Reflections On Marriage:

Covenant of Love John O'Connor, John Joseph O'Connor, 1999 The purpose of this book in the Cardinal's words is not simply to emphasize the importance of appropriate preparation for marriage or to discuss the nature of such preparation although I do attempt to do this But I want to go deeper most particularly by way of exploring the likeness of marriage and priesthood together with the radical reason for marriage itself And so this is not a marriage manual nor a book of strict guidelines and instructions Thoroughly pastoral and practical in tone sprinkled with real life anecdotes this book will encourage both the married and the unmarried to look at the spiritual the sacramental and indeed the supernatural dimensions of marriage as God seems to have intended it to be In more than two dozen chapter reflections O'Connor covers such themes as self sacrifice indissolubility prayer life marital relations channels of grace the frustration aggression phenomenon money divorce and remarriage being loved for oneself fidelity and parenting The Marriage God Wants for You Cardinal Donald Wuerl, 2015-06-01 Most people would agree that marriage today is in crisis What is usually overlooked even by those married in the Church is that God intended marriage to be a sacrament The Lord wants couples to rely on his promise to be present in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today Regent University law review, 1999 Catholic Marriage Kimberly Hope Belcher, Jennifer Kerr Budziak, Paul Covino, Timone Davis, Edward Foley, Capuchin, Richard N. Fragomeni, Patrick R. Lagges, Diana Macalintal, Anne McGowan, Gil Ostdiek, OFM, James and Evelyn Whitehead, 2019-09-18 Catholic Marriage A Pastoral and Liturgical Commentary is a collection of essays by scholars and practitioners on the rites spirituality history theology and pastoral practice surrounding the Sacrament of Matrimony in the Roman Catholic Church Those who minister to engaged couples and teach the sacrament will appreciate the accessible approach to the meaning of Christian marriage and how that is and has been expressed in the rites of the Church and cultural customs The Liturgy That Does Justice James L. Empereur, Christopher G. Kiesling, 2006-02-09 Catholic Church Teaching on the Family Winifredo Nierras, 2023-08-11 The Catholic Church's teaching on the family is a profound and holistic framework that illuminates the sanctity purpose and dynamics of familial relationships within the context of faith and love Rooted in the Gospel and centuries of tradition this teaching offers guidance on marriage parenting values prayer and spirituality emphasizing their vital roles in nurturing strong and harmonious families **The Pastoral Care of Marriage and Family Life in Nigeria** Anthony O. Future of Christian Marriage among the Igbo vis-a-vis Childlessness Augustus Chukwuma Izekwe, 2015-08-06 Marriage was ordained by God for the good of spouses and for procreation But how often does marriage turn out to bring unhappiness to partners And how often do even happy marriages end up childless Among the Igbo of South eastern Nigeria to whom offspring is the chief goal of marriage childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy In this work the author expounds the importance of marriage and its practice among the Igbo He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage Using the relevant clauses of the Code of Canon Law the author explains in detail the Catholic understanding of marriage and the goals of the catholic doctrine on marriage He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre marriage preparation but also a continual formation of marriage couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness But the author knows that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness *American Book Publishing Record*, 2007

The Voice of the Bridegroom Benjamin A. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of
