

Covenants

Dear Lord, I have spent many a year
learning to follow Thy ways,
And along the road I have covenants made
That have altered the course of my days.

I awakened each day and knew my path:
the commitments I had made with thee.
And I skipped along, thinking all would be well.
It would be easy, You'd see.

I would follow my shepherd to pastures green
Where rest would be my reward.
For your promise is sure and blessings await
Those who follow you, Lord.

Then life became hard. This was not the plan.
Arrows of anger I shot.
You promised blessings. Where are they, I pled.
Thorns grow in my garden plot.

The answers came. Be patient. Endure.
Be still, my little friend.
If you are true to your covenants
I am with you till the end.

You renewed my strength. Understanding has come.
And now I clearly see.
The covenants weren't designed to alter my world.
They were designed to alter me.

As LDS people we make covenants. Our children are baptized at age 8 because they are then old enough to make a covenant. Baptism is just the first of many that we make. Each covenant with the Lord draws us closer to His love and blesses our life.

Early in my faith I saw a covenant as that two-way promise with the Lord where I promised to do such and such and then He promised something else. It was as if my actions and promises could manipulate Him. I have learned that that is not the case at all. Covenant making is a gift that the Lord has given to us because of what it does for us. We need to make covenants - not Him. And so I wrote this poem.

Covenants Poems:

Poets and poetry of the Covenant, compiled with an intr. by D. McAllister David McAllister, 1894 **Poets and Poetry of the Covenant**, 1894 *Covenants* Andreas Gripp, 2019 *Covenants* William Kloefkorn, David Lee, 1996 **The Stability of the Covenant of Grace, and Other Poems** David Waddell, 2024-05-01 Reprint of the original first published in 1881 *The Jesus Puzzle God's Covenants The Promises* Shirley Rebstock, 2018-11-20 Do you feel overwhelmed to read the Old Testament and New Testament Do you ever wonder how the Old Testament connects to the New Testament This is a short Bible study written in rhyming rhythm that shows some of God's Covenants and Promises in the Old Testament that lead to Jesus as the final Covenant Now there are many religions that do not believe Jesus is the Savior My hope is that this will give them pieces of the puzzle showing why so many do believe Jesus is the Savior Maybe this will intrigue them to disprove my conclusion and in the process find Jesus for themselves or at least plant a seed Young teenagers may find this useful in a Bible study The Bible verses used to write the poem story are at the bottom of the page with questions to ponder after each chapter Also the time period such as the pyramids are listed at the bottom of each page too See if you can put the pieces of the puzzle together from Old Testament to New and come to the same conclusion that Jesus is the final promise and covenant **Victoria and her People; or, the Covenant. A poem. By a Member of one of the Inns of Court** Victoria (Queen of Great Britain), 1840 **God's Good Covenant** Loren F. Bliese, 2021-06-29 In this study of Hosea Loren Bliese documents his current research into how the poetics of the Hebrew Bible were enhanced by arranging the counts of words and structures in order to beautify the message The two words good and covenant are the only words that come once each in the five parts of the book They point to a structural theme of the book that God's covenant is good in contrast to idolatrous relationships that lead to disaster Hosea's symbolic numbers are derived from both twenty two of the Hebrew letters and from twenty six the value of the divine name YHWH along with other numbers related to the name Plays on the word repent or return have a build up of repetitions to the end where the plea Return Israel to the LORD your God is prominent Each of these words is marked by numeric significance The book is a discourse analysis of Hosea's whole text focusing on features of prominence including symbolic numbers The study analyzes thirty of the forty five poems in Hosea with the form of metrical chiasmus pointing to a central peak Bliese has developed this in previous writings Abundant chi square probability calculations support his analysis **A Complete Greek and English Lexicon for the Poems of Homer and the Homeridae** Gottlieb Christian Crusius, 1874 *The Covenant, and Other Poems* Louis M. Smirnow, 1922 Communion, Covenant, and Creativity Brian Haymes, Richard L. Kidd, 2020-03-16 This book is a follow up to a previous volume by the same three authors Baptists and the Communion of Saints A Theology of Covenanted Disciples though it does not require familiarity with the first study The present book offers new perspectives on belief in the communion of saints by interpreting it through the idea of covenant with its two dimensions of relations with God and with each other Giving attention to the

creative arts of painting music poetry and story writing the authors explore indications of a hidden communion of saints through embodiment memory and connectivity Included are studies of the work of visual artists Paul Nash and Mark Rothko musicians John Tavener Elgar and Brahms and writers Thomas Hardy T S Eliot and James Joyce Theological reflection on these hints of communion offers a vision of an ongoing communion of prayer with the saints alive and dead which does not depend on a dualistic idea of a disembodied soul existing after death but which affirms the Christian tradition of the resurrection of the body Communion covenant and creativity are thus linked to develop a Christian aesthetics based on a mutual indwelling between the triune God and the world

The Poems of MS Junius 11 R. M. Liuzza, 2013-01-11 Taken from the same manuscript as Cynewulf the Junius 11 poems Genesis Exodus Daniel and Christ and Satan comprise a series of redacted Old English works that have been traditionally presented as the work of Bede s Caedmon Medieval scholars have concluded that the four poems were composed by more than one author and later edited by Junius in 1655 All of the poems are notable for their Christian content Apart from its focus on the Junius 11 manuscript this collection of essays is also important as a study of how to read edit and define any medieval literary text

The Poems of Edward Taylor Edward Taylor, 2014-12-01 Now considered America s foremost colonial poet Edward Taylor was virtually unknown until some of his poems were discovered in the Yale library and published in 1937 The intellectual brilliance and the emotional intensity of his poetical meditations have led critics to compare him to John Donne and George Herbert These poems are now recognized as one of the great achievements in American devotional literature

A Complete Greek and English Lexicon for the Poems of Homer and the Homeridae Gottlieb Christian Crusius, 1871 *A Complete Greek and English Lexicon of the Poems of Homer and the Homeridae ... translated, with corrections and additions, by H. Smith* Gottlieb Christian CRUSIUS, 1876

Situating Poetry Joshua Logan Wall, 2022-10-11 Focusing on five poets of the New York literary scene in the period between 1910 and 1940 the author shows that fractioned ethnic and immigrant groups could locate democratic communities through innovative poetic forms in which belonging was produced not by identity narratives but through attention directed to particular genres

Reading Prophetic Poetry Barbara Bakke Kaiser, 2019-10-08 This volume seeks to guide students in religious or literary studies or other interested readers toward understanding and appreciation of biblical prophetic poetry Each of the three sections of the book includes a chapter examining one of the literary features with brief examples from prophetic texts followed by another chapter of applied criticism of a full prophetic poem Joel 2 on parallelism Jeremiah 4 on voice and Isaiah 24 on design Among the distinct features of the book are diagrams of parallel lines promoting two dimensional binocular reading of the poems Of all the literature of the Bible prophetic poetry has probably been least accessible to the modern reader Language is dense images are obscure and logical development of ideas seems almost inaccessible Reading Prophetic Poetry seeks to help readers appreciate the luminous beauty of the language and the austere power and surprising relevance of the ideas in these relatively obscure biblical texts It introduces an accessible approach to

prophetic poetry which invites readers to turn to the biblical texts on their own with new ideas for appreciating the riches of these ancient poems **A complete Greek and English lexicon for the poems of Homer and the Homeridae, tr. by H. Smith, revised and ed. by T.K. Arnold** Gottlieb Christian Crusius,1871 **The Poet and the Historian** Richard
