Covent Garden Team, 1978 **Study for the Re-location of Covent Garden Market ...** Fantus Company, 1963 *Transplanting the Garden* Colin Allen, 1998-01-01 **New Covent Garden Market** Great Britain. Parliament. House of Commons. Environment, Food and Rural Affairs Committee, Food and Rural Environment Staff, 2003 The report on New Covent Garden Market from the Agriculture Committee in March 2001 HCP 173 I session 2000 01 ISBN 0102253013 noted that the market was in need of significant capital investment and that the Government had announced its intention to sell the market as a going concern An independent strategic review of market provision in London was jointly commissioned by the Government and the Corporation of London from Mr Nicholas Saphir This report was published in November 2002 not published by TSO The main recommendation of the Saphir report was that there should be three composite wholesale food markets at Western International at Hounslow and Spitalfields and New Covent Garden Market However the major parties have failed to agree on this issue The Government's role should be to broker an agreement The Committee believes the current Government policy of allowing New Covent Garden to diversify while anticipating a legal challenge to any diversification does not demonstrate the strategic oversight that is required The Government policy objective of selling New Covent Garden seems no closer than it was two years ago **Covent Garden Market** Raymond Green, Peter Story, Cordelia Weedon, 1995 *Covent Garden: Mud-salad Market* Ronald Webber, 1969 London is composed of a number of self contained small worlds One of the most characterful and historic is Covent Garden Ronald Webber who was in business in the famous market for many years tells its absorbing story from the days when it was Convent garden and country folk came to sell their produce to to the present day now the home to theatres and restaurants as well as the biggest and best known fruit flower and vegetable market in Britain New Covent Garden Market Great Britain. Parliament House of Commons. Agriculture Committee, Agriculture Committee, 2001 New Covent Garden is a horticultural market within the remit of MAFF The Minister

has stated that he wishes to dispose of the market but this requires primary legislation and there is thus a need to look at all the issues In the meantime the Covent Garden Market Authority is hampered in its efforts to expand The Committee recommends that the Government with the GLA and the Corporation of London should instigate a review of wholesale markets in London It should examine their number and location and whether they should be publicly owned and governed by statutory restrictions In other words there needs to be a strategy *New Covent Garden Market* Great Britain.
