**The Cover of the Mask** Annette Tromly,1982 This book is a careful reading of Charlotte Brontë's first person narratives that avoids the biographical approach in favor of attending to the complex transformation of personality into art We see Charlotte Brontë as a formidable and mature artist who is very much in control of the mask through which she speaks

The Cambridge Companion to the Brontës Heather Glen,2002-12-05 The extraordinary works of the three sisters Charlotte Emily and Anne Brontë have entranced and challenged scholars students and general readers for the past 150 years This Companion offers a fascinating introduction to those works including two of the greatest novels of the nineteenth century Charlotte's *Jane Eyre* and Emily's *Wuthering Heights* In a series of original essays contributors explore the roots of the sisters' achievement in early nineteenth century Haworth and the childhood plays they developed they set these writings within the context of a wider history and show how each sister engages with some of the central issues of her time The essays also consider the meaning and significance of the Brontës' enduring popular appeal A detailed chronology and guides to further reading provide further reference material making this a volume indispensable for scholars and students and all those interested in the Brontës and their work

*Bloom's how to Write about the Brontës* Virginia Brackett,2009 Emily Anne and Charlotte Brontë were three sisters who left an indelible mark on the literature of their age This book offers suggestions on how to write a strong essay It helps students develop their analytical writing skills

**Austen, Eliot, Charlotte Brontë and the Mentor-Lover** P. Menon,2003-05-23 This lucid and tightly argued study uses the motif of the mentor lover embodying diverse permutations of sexual love power and judgement to explore evaluate and compare the works of Jane Austen Charlotte Brontë and George Eliot as they contend with issues of sexuality family selfhood freedom conduct and gender The figure also provides a means to probe their relationship to the reader as they become mentor lovers through authorship each eliciting a different form of love and electing a different style of instruction

*Promising Language* Randall Craig,2000-01-01 Argues that Victorian legal linguistic and cultural attitudes toward promises especially promises to marry had a formative effect on novels of the period

**Charlotte Brontë - Jane Eyre** Sara Lodge,2008-11-27 Sara Lodge offers a lively introduction to the critical history of one of the most widely studied nineteenth century novels from the first reviews through to present day responses The Guide also includes sections devoted to feminist Marxist and postcolonial criticism of *Jane Eyre* as well as analysis of recent developments

**Charlotte Brontë** Penny Boumelha,1990 Boumelha offers fascinating analyses of Brontë's work and of feminist criticism of Brontë

*Choice The Brontë Myth* Lucasta Miller,2013-03-31 A fascinating and wonderfully readable deconstruction of the countless myths that have grown up around the Brontës Since 1857 hardly a year has gone by without some sort of Brontë biography appearing These range from pious accounts in Victorian conduct books to Freudian psychobiographies from plays films and ballets to tourist brochures and images on tea towels from sensation seeking penny a liners to meticulous works of sober scholarship Each generation has

rewritten the Brontes to reflect changing attitudes towards the role of the woman writer towards sexuality towards the very concept of personality The Bronte Myth gives vigorous new life to our understanding of the novelists and their culture and Lucasta Miller reveals as much about the impossible art of biography as she does about the Brontes themselves WITH A NEW INTRODUCTION FROM THE AUTHOR Post-Jungian Criticism James S. Baumlin,Tita French Baumlin,George H. Jensen,2004-01-01 Rereads Jung in light of contemporary theoretical concerns and offers a variety of examples of post Jungian literary and cultural criticism **New Life Of Charlotte Bronte** Tom Winnifrith,1988-05-04 **A Stranger Within the Gates** Kathleen Constable,2000 Kathleen Constable s ambitious work A Stranger Within the Gates investigates fully Bront s Irish heritage and the way in which it is reflected in her literary endeavours including Jane Eyre and Shirley Constable draws on primary sources to illuminate the relations of Ireland and England then gives a conclusive literary background of the Bront family An analysis of both Bront s juvenile and mature pieces reveals the persistence of Irish characters Irish nouns and Irish narrative elements that Constable argues point to Bront s Irish consciousness The use of mask and theater in Jane Eyre is discussed as an anti colonial construct within the Victorian novel Finally Constable places Jane Eyre in the Big House literary tradition Together the four sections of this work aim to connect otherwise separate and unrelated fields of literary study the Victorian Novel and the Irish experience The Agony of Leaving Deirdre Lashgari,1987 **Cumulative Bibliography of Victorian Studies** ,1970 **Spirals and Circles** Horst S. Daemmrich,Ingrid Daemmrich,1994 The study of themes and motifs in Western Literature has occupied the authors over two decades They have previously presented their findings in Wiederholte Spiegelungen Themen und Motive in der Literatur 1978 Themes and Motifs in Western Literature 1987 and Themen und Motive in der Literatur Ein Handbuch 1987 **International Books in Print** ,1997 **Artist and Attic** Hsin Ying Chi,1999 Artists and Attic sees the relationship between architecture and literature as a concrete reflection of nineteenth century ideology creating an iconic picture of women s position in society and literature during that period In the Victorian house the attic is hidden and neglected yet to a woman artist it is a space of her own to produce a text of her own The author presents the neglected attic as related to the neglected woman and the limited space symbolizes the confinement of woman and the woman writer yet obtaining this space of her own becomes the central concern to women and women writers This book explores the function of the attic in nineteenth century British and American women s writing as it is given meaning and life by the writers To many of the women the attic created a paradoxical image of their seclusion but also of their own poetic space for freedom in creation Many of the writers see the attic as a retreat to escape from patriarchal oppression and a place to seek social identity **Jane Eyre, an Autobiography** Charlotte Bronte,2015-10-06 Jane Eyre is a novel by English writer Charlotte Bront It was published on 16 October 1847 by Smith Elder Co of London England under the pen name Currer Bell The first American edition was published the following year by Harper Brothers of New York Primarily of the bildungsroman genre Jane Eyre
