Covering The Body The Kennedy Assassination The Media And The Shaping Of Collective Memory:

Covering the Body Barbie Zelizer, 1951 Covering the Body the title refers to the charge given journalists to follow a president is a powerful reassessment of the media's role in shaping our collective memory of the assassination at the same time as it used the assassination coverage to legitimize its own role as official interpreter of American reality Of the more than fifty reporters covering Kennedy in Dallas no one actually saw the assassination And faced with a monumentally important story that was continuously breaking most journalists had no time to verify leads or substantiate reports Rather they took discrete moments of their stories and turned them into one coherent narrative blurring what was and was not professional about their coverage

Covering the Body Barbie Zelizer, 1992 Covering the Body the title refers to the charge given journalists to follow a president is a powerful reassessment of the media's role in shaping our collective memory of the assassination at the same time as it used the assassination coverage to legitimize its own role as official interpreter of American reality Of the more than fifty reporters covering Kennedy in Dallas no one actually saw the assassination And faced with a monumentally important story that was continuously breaking most journalists had no time to verify leads or substantiate reports Rather they took discrete moments of their stories and turned them into one coherent narrative blurring what was and was not professional about their coverage
