**Covert Entry** Andrew Mitrovica, 2003 A unique unprecedented look at the inner workings of our domestic secret service by a leading investigative reporter An alarming portrait of incompetence and worse inside the agency that is supposed to protect us from terrorism Canada's espionage agency enjoys operating deep in the shadows Set up as a civilian force in the early eighties after the RCMP spy service was abolished for criminal excesses no news is good news for the Canadian Security Intelligence Service CSIS This country's spymasters work diligently to prevent journalists politicians and watchdog agencies from prying into their secret world Few journalists have come close to rivalling Andrew Mitrovica at unveiling the stories CSIS does not want told In **Covert Entry** the award winning investigative reporter uncovers a disturbing pattern of corruption law breaking and incompetence deep inside the service and provides readers with a troubling window on its daily operations At its core **Covert Entry** traces the eventful career of a veteran undercover operative who worked on some of the service's most sensitive cases and was ordered to break the law by senior CSIS officers in the name of national security Like Philip Agee's **Inside the Company** CIA Diary Mitrovica's book delivers a ground level day to day look at who is actually running the show in clandestine operations inside Canada The picture he paints does not fill one with confidence and definitively shatters the myth that CSIS respects the rights and liberties it is charged with protecting From the Hardcover edition

**Secret Service** Reginald Whitaker, Gregory S. Kealey, Andrew Parnaby, 2012-01-01 Drawing on previously classified government records the authors reveal that for over 150 years Canada has run spy operations largely hidden from public or parliamentary scrutiny complete with undercover agents secret sources agent provocateurs coded communications elaborate files and all the usual apparatus of deception and betrayal so familiar to fans of spy fiction As they argue what makes Canada unique among Western countries is its insistent focus of its surveillance inwards and usually against Canadian citizens

**Canada's Spies Attacked Me** Mark Garzone, 2006 This is a true story about how the Canadian Security Intelligence Service CSIS attacked me in America The story starts back in 1998 when my father Mario Garzone a Croatian Canadian telephoned the Croatian Embassy in Canada asking for a list of publishers for a book he was writing on Nostradamus He later faxed a sample of his writings as a gift to the Croatian Embassy Either CSIS or the Canadian Security Establishment CSE monitored these contacts Once being brought to the attention of Canada's security establishment my family was doomed For you see Canada and Britain fought a secret war against the Croatian military on behalf of the Serbs when Canadian Peacekeepers went to the Balkans during the breakup of Yugoslavia in the early 1990's The book contains the Nostradamus writings that drove CSIS into a witch hunt frenzy

**Law, Privacy and Surveillance in Canada in the Post-Snowden Era** Michael Geist, 2015-05-28 Years of surveillance related leaks from US whistleblower Edward Snowden have fueled an international debate on privacy spying and Internet surveillance Much of the focus has centered on the role of the US National Security Agency yet there is an important Canadian side to the story The Communications Security

Establishment the Canadian counterpart to the NSA has played an active role in surveillance activities both at home and abroad raising a host of challenging legal and policy questions With contributions by leading experts in the field Law Privacy and Surveillance in Canada in the Post Snowden Era is the right book at the right time From the effectiveness of accountability and oversight programs to the legal issues raised by metadata collection to the privacy challenges surrounding new technologies this book explores current issues torn from the headlines with a uniquely Canadian perspective Published in English

**Riding to the Rescue** Steve Hewitt,2006-01-01 The Mountie may be one of Canada s best known national symbols yet much of the post nineteenth century history of the Royal Canadian Mounted Police remains unexamined particularly the period between 1914 and 1939 when the RCMP underwent enormous transformation The nature of this transformation as it took place in Alberta and Saskatchewan where the Mounties have traditionally dominated policing is the focus of Steve Hewitt s Riding to the Rescue During the 1914 to 1939 period the nineteenth century model of the RCMP was evolving into a twentieth century version and the institution that emerged responded to a nation that was being transformed as well Forces such as industrialization mass immigration urbanization and political radicalism compelled the Mounties to look away from the frontier and toward a new era Incorporating previously classified material which explores the RCMP both in the context of its ordinary policing role and in its work as Canada s domestic spy agency Hewitt demonstrates how much of the impetus behind the RCMP s transformation was ensuring its own survival and continued relevance Riding to the Rescue is a provocative and incisive look behind one of Canada s most enduring icons at the cusp of the modern era

**Homegrown Radicals** Youcef Soufi, 2025-02-04 The powerful story of how the War on Terror created the conditions for the emergence of a novel theory of jihad On March 7th 2007 three Muslim university students left their small city on the Canadian Prairies seemingly without a trace In the ensuing months their disappearance raised fears among Canadian and US security agencies that the men had become radicalized posing a grave threat to national security From presidential briefings and targeted drone assassinations to a politically charged trial in a Brooklyn courtroom the men's story sheds new light not only on the figure of the radical but also on the moderate Muslim represented by a community forever changed by the men's departure Homegrown Radicals offers a case study of the complex entanglements of the radical and moderate Muslim in post 9 11 North America Youcef Soufi brings these figures together in uneasy tension providing insight into how state violence has inextricably tied them together Focusing on the radicalization of the three Muslim students the book traces the general sense of affective injury among North American Muslims over the loss of Muslim life in Western military campaigns overseas In this context a new theory of jihad rooted in a Muslim utopian imagination emerged marking a significant rupture with premodern Islamic thought The three radicals were among thousands of Anglophone Muslims who found this new theory compelling as both a diagnosis and a solution to the violence unleashed in the War on Terror The book examines how and why this theory resonated as well as its consequences for the men's families friends and Muslim community Homegrown Radicals highlights how post 9 11 Islamophobia has operated through the conceptual blurring of the line between moderate and radical Muslims and asks what alternative forms of solidarity may transcend the violent boundaries of the nation state

women's liberation movement from its broad transnational influences to its elusive quest for unity among women across lines of ideology and identity. Significantly, the authors also grapple with the historiographical, methodological, and ethical difficulties of working with declassified security documents and sensitive information. A sharp-eyed inquiry into spy policies and tactics in Cold War Canada. *Just Watch Us* speaks to the serious political implications of state surveillance for social justice activism in liberal democracies. ***Stand on Guard*** Stephanie Carvin, 2021-06-01 In *Stand on Guard* Stephanie Carvin sets out to explain the range of activities considered national security threats by Canadian security services today. As new forms of terrorism and extremism appear, especially online, we need a responsibly widened view of such threats and how they manifest in the contemporary world. Canadians should not be more fearful, Carvin explains, but a more sophisticated understanding among security services personnel and the general public is needed if we are to anticipate and ameliorate threats to national security. As a former security analyst tasked with providing threat assessments to high levels of government, Carvin writes with both authority and urgency. Her book presents an insider's look at the issues facing the Canadian security and intelligence community. Timely and accessible, *Stand on Guard* will be required reading for scholars, practitioners, and any Canadian concerned about national security in the twenty-first century. ***Diversity in Criminology and Criminal Justice Studies*** Derek M.D. Silva, Mathieu Deflem, 2022-05-12 This volume explores the theoretical and methodological maturity and diversity in reflexive accounts of criminology and criminal justice in a number of areas such as and teaching and research in criminology, queer criminology, the intersections of race and gender, indigeneity and decolonization, domestic violence and human rights. ***Canada and the Cold War*** Reginald Whitaker, Steve Hewitt, 2003-10-19 *Canada and the Cold War* is a fascinating historical overview of a key period in Canadian history. The focus is on how Canada and Canadians responded to the Soviet Union and to America's demands on its northern neighbour.

***Law and Society*** Steven Vago, Adie Nelson, 2007-03 A readable and comprehensive introduction that examines the key themes in the complex relationships of administrative, criminal, and civil law to Canadian society. *Law and Society* covers the evolution of modern legal systems, current intellectual movements in law, the interplay between law, law-making, and social change, and the main concerns and issues in the profession and practice of law. With plentiful examples and cases, it also explores recent theories, pertinent new research, and emerging trends. Some of the updates to the second edition include information on contemporary issues such as Law and Literature, the Canadian court system, anti-terrorism legislation, and privacy issues, drug legislation, divorce, and same-sex marriages. Discussions of Aboriginal peoples and restorative justice have been expanded, and there is also a new section on tort law by contributing author Gregory Brown. Critical thinking questions have been added to every chapter.
